</thead>
<tbody>
<tr>
<td>15-Passenger Full Size</td>
<td>Due to the rollover risk of 15-passenger vans, agencies are prohibited from purchasing, renting, or utilizing 15-passenger full size vans for passenger transport purposes. These vans are commonly referred to as “15-passenger vans.” Agencies may purchase or acquire new 15-passenger full size vans if all rear seats are removed and the van is used exclusively for cargo or maintenance purposes.</td>
</tr>
<tr>
<td>8 to 12-passenger full size</td>
<td>Agencies are authorized to purchase, acquire, rent, or lease 8 to 12-passenger full size vans for passenger transport purposes after purchase approval from DES.</td>

Full Size Van and Van Driver Requirements

**Topic: Driver safety awareness**

**Action:**
The National Highway Traffic Safety Administration (NHTSA) publications indicated below are required to be placed and maintained in a conspicuous spot in each state owned 15 and 12-passenger full size van as well as in all rental 12-passenger and cargo full size vans:

Refer to the [NHTSA website](http://www.nhtsa.gov) for the latest version of these documents.

**Required documents**
Agencies are required to have all 12-passenger full size van and cargo van drivers sign the following documents at the time of their initial van driving assignment.

- 15- and 12-passenger full size van driver - Valid License to Drive and Driving Experience Statement.

Agencies are required to maintain the above documents in appropriate agency files.

**Required Safety Education or Training for Drivers**

1. Agencies are required to provide employees, students, and volunteers with safety education information or training prior to their initial operation of state owned or commercially rented/leased 12-passenger full size van or cargo van.

2. Training shall be documented by the agency and the documentation maintained in appropriate agency files.

3. Renewal training must be provided every two years. Renewal training should consist of a review of initial training information with updates as appropriate. Renewal training must be documented and the documentation maintained in appropriate agency files.

4. Training for 12-passenger full size van and cargo van drivers.
   a. Length of training, training curriculum, training method, type of training materials (or audio-visuals) used is at agency discretion. Agencies may supplement the requirements above as desired. Examples of training topics that agencies may choose to address include, but are not limited to:
      i. Pre-trip planning and travel routes
      ii. Travel time restrictions
      iii. Safety considerations, such as headlight and seatbelt use
      iv. Travel during weather conditions (snow, ice, wind, etc.)
      v. Gear or cargo storage
      vi. Maintenance including tire pressure
      vii. Cell phone or other electronic equipment use

5. Safety education information provided must include:

d. Review of the Fleet Safety section in the Risk Management Basics Manual or equivalent agency developed information.

e. Review of this procedure or equivalent agency-specific policies or information pertaining to these sections.
