

## Listening session summary – Campus event permit holders

**Meeting date: Thursday, Jan. 30, 3:30-5 p.m.**

**Location: 1500 Jefferson Building, Olympia**

DES provided an update on the rulemaking process, shared a rulemaking process map, and shared that concepts for future phases on the process map will be influenced by what DES hears at listening sessions and may be updated.

### **DES asked campus event permit holders what is important to them. Group discussed:**

- Water quality issues / pollution concerns
- Aesthetics
- State- and region-wide draw for people attending events
- Demographics of walkers who utilize the campus and its roadways
- Overflow parking on Deschutes
- DES management of events utilizing Deschutes Parkway in December
- Bike and running path configurations / other design considerations

### **DES asked for thoughts and advice regarding additional engagements and information to consider. Group discussed:**

- Engaging natural resource agencies
- Engagement of nearby cities
- Other event permit holders DES may want to reach out to again
- Pros and cons of other cities' decision-making processes
- Importance of understanding authorizing environment and legal issues and processes before considering rule and implementation options
