**Meeting date: Wednesday, Jan. 8, 9 to 10 a.m.**

**Location: Thurston County Public Health and Social Services Building**

DES provided an update on the rulemaking process, shared a rulemaking process map, and shared that concepts for future phases on the process map will be influenced by what DES hears at listening sessions and may be updated.

## **DES asked HAT what is important to them. Group discussed:**

- Questions about an overall state approach.
- Possible benefits the rulemaking process may have in relation to regional efforts, including informing data needs.
- Issues related to sanitation and sewage dumping, RV parking in the county, registering vehicles and mitigation sites.
- Approaches other communities have taken to address people living in vehicles, such as "safe parking areas."
- Finding common ground among diverse interests.
- The opening of the Housing Authority wait list for Section 8 vouchers in mid-January.
- Census 2020 needs.
