

C&P Updates

- **IT Contract Reporting** – Change to reporting period requirements.
 - Requires agencies to provide a snapshot of their active IT contracts as of June 30 of the current reporting year, and any contract that was active as of July 1 of the previous reporting year. This means any IT contract that was active during Fiscal Year 2021 (July 1, 2020 – June 30, 2021) must be included in the 2021 report.
- **Contract Reporting** – Change to reporting period requirements and inclusion of Interagency Requirements
 - Active contracts during Fiscal Year 2021
- **Small Agency Procurement Services** – Two FTE Addition
