

# PCAG Meeting Minutes

11/20/2019

- Welcome and introductions
- Sundae Delgado- DES C&P Training Group
  - Introduced Audrey Pitchford as new DES C&P Training Manager
  - Sometime early 2020 releasing new policies with trainings
    - Pushing out a bit- was aiming for 1/1/2020
    - For sure having environmental policy training coming out with a new tool
      - Mercury
      - Hydrofluorocarbons
      - Environmentally preferred electronics
      - Recycled products
    - Tool creates all work needed for contract and what needs to be done.
    - Will incorporate PCBs training into it (hopefully)
  - Sent out Booster for PCBs- 32% completed.
  - Why send out boosters?
    - See second part of hand out.
- OneWA Update- Brian Richardson
  - Presentation will be sent out
  - Working to replace AFRS
  - Looking to onboard consultants
  - In September they onboarded new vendors
    - ISG Public Sector
    - Plant Moran
    - Deloitte
  - Leverage NASPO contract with software vendors
- Corinna Cooper- Master Contracts
  - Master Contract Determination Form/Process
  - Contracts Awarded in last 6-months
  - Contracts to be Awarded in the next 6-months
  - New Contracts
- 2020 Facilitators
  - In Jan, start fresh and go over PCAG's purpose
- Every other month?
  - So many were cancelled, maybe have them less.
  - Will talk about it in January.
- This is not a report out, it is a customer advisory group
