DES may, at its sole discretion, increase, decrease, or eliminate the management fee upon 30 days written notice to Contractor. If an adjustment in payment is necessary due to damage or dispute, any prompt payment discount period shall commence on the date final approval for payment is authorized.

Under [Chapter 39.76 RCW](#), if Purchaser fails to make timely payment(s), Contractor may invoice for 1 percent per month on the amount overdue or a minimum of \$1.00. Payment will not be considered late if a check or warrant is mailed within the time specified. If no terms are specified, net 30 days will automatically apply. Payment(s) made in accordance with Contract terms shall fully compensate the Contractor for all risk, loss, damages or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by Contractor. If the Contractor fails to make timely payment(s) or issuance of credit memos, the Purchaser may impose a 1% per month on the amount overdue.

Payment for materials, supplies and/or equipment received and for Services rendered shall be made by Purchaser and be redeemable in U.S. dollars. 7.4.1 Fees/Licenses

After award of Contract, and prior to commencing performance under the Contract, the Contractor shall pay for and maintain in a current status any licenses, fees, assessments, permit charges, etc., which are necessary for Contract performance. With each invoice for payment and within 30 days of Purchaser's request, Contractor shall provide Purchaser an *Affidavit of Amounts Paid*. The *Affidavit of Amounts Paid* shall either state that Contractor still maintains its MWBE certification, or state that its Subcontractor(s) still maintain(s) its/their MWBE certification(s) and specify the amounts paid to each certified MWBE Subcontractor under this Contract. Contractor shall maintain records supporting the *Affidavit of Amounts Paid* in accordance with this Contract's [Retention of Records](#) section.

7.6 Overpayments to Contractor

Contractor shall refund to Purchaser the full amount of any erroneous payment or overpayment under this Contract within 30 days' written notice. If Contractor fails to make timely refund, Purchaser may charge Contractor one percent per month on the amount due, until paid in full.

7.7 Audits

DES reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced. Any remedies and penalties allowed by law to recover monies determined owed will be enforced. Repetitive instances of incorrect invoicing may be considered complete cause for Contract termination.

8 QUALITY ASSURANCE

8.1 Contractor Commitments, Warranties and Representations

Any written commitment by Contractor within the scope of this Contract shall be binding upon Contractor. Failure of Contractor to fulfill such a commitment may constitute breach and shall render Contractor liable for damages under the terms of this Contract. For purposes of this section, a commitment by Contractor includes: (i) Prices, discounts, and options committed to remain in force over a specified period of time; and (ii) any warranty or representation made by Contractor in its Response or contained in any Contractor or manufacturer publications, written materials, schedules, charts, diagrams, tables, descriptions, other written representations, and any other communication medium accompanying or referred to in its Response or used to effect the sale to Purchaser.

9.2 Retention of Records

Contractor shall maintain all books, records, documents, data and other evidence relating to this Contract and the provision of materials, supplies, Services and/or equipment described herein, including, but not limited to, accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Contract. Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review, or audit by DES, personnel duly authorized by the DES, the Washington state Auditor's Office, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six year period, the records shall be retained until final resolution of all litigation, claims, or audit findings involving the records.

9.3 Proprietary or Confidential Information

Contractor acknowledges that DES and Purchaser are subject to chapter 42.56 RCW and that this Contract shall be a public record as defined in chapter 42.56 RCW. Any specific information that is claimed by Contractor to be Proprietary Information must be clearly identified as such by Contractor.

To the extent consistent with [Chapter 42.56 RCW](#), the Public Disclosure Act, DES or Purchaser shall maintain the confidentiality of Contractor's information marked confidential or proprietary. If a request is made to view Contractor's proprietary information, DES or Purchaser will notify Contractor of the request and of the date that the records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DES or Purchaser will release the requested information on the date specified.

DES or Purchaser's sole responsibility shall be limited to maintaining the above data in a secure area and to notify Contractor of any request(s) for disclosure for so long as DES or Purchaser retains Contractor's information in DES or Purchaser records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are exempt from disclosure.

9.4 Non-Endorsement and Publicity

Neither DES nor the Purchasers are endorsing the Contractor's Products or Services, nor suggesting that they are the best or only solution to their needs. Contractor agrees to make no reference to DES, any Purchaser or the state of Washington in any literature, promotional material, brochures, sales presentation or the like, regardless of method of distribution, without the prior review and express written consent of the DES.

9.5 Protection of Purchaser's Confidential Information

Contractor acknowledges that some of the material and information that may come into its possession or knowledge in connection with or in performance of this Contract may consist of Confidential Information. Contractor agrees to hold Confidential Information in strictest confidence and not to make use of Confidential Information for any purpose other than the performance of this Contract, to release it only to authorized employees or Subcontractors requiring such information for the purposes of carrying out this Contract, and not to release, divulge, publish, transfer, sell, disclose, or otherwise make the information known to any other party without Purchaser's express

written consent or as provided by law. Contractor agrees to release such information or material only to employees or Subcontractors who have signed a nondisclosure agreement, the terms of which have been previously approved by Purchaser. Contractor agrees to implement physical, electronic, and managerial safeguards, including but not limited to those prescribed by the Purchaser, to prevent unauthorized access to Confidential Information. Contractors that may come into contact with medical data or Protected Health Information will be required to complete a Business Associate agreement, as required by federal or state laws, including HIPAA, prior to the commencement of any work.

Immediately upon expiration or termination of this Contract, Contractor shall, at DES's or Purchaser's option: (i) certify to DES or Purchaser that Contractor has destroyed all Confidential Information; or (ii) return all Confidential Information to DES or Purchaser; or (iii) take whatever other steps DES or Purchaser requires of Contractor to protect DES's or Purchaser's Confidential Information.

DES and Purchasers reserve the right to monitor, audit, or investigate the use of Confidential Information collected, used, or acquired by Contractor through this Contract. The monitoring, auditing, or investigating may include, but is not limited to, salting databases.

In the event of the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of personal information maintained by the Purchaser ("Data Breach"), Contractor agrees to comply with all applicable state and federal statutory provisions, including but not limited to [RCW 19.255.010](#) and [RCW 42.56.590](#). If a data compromise and/or identity theft occurs and is found to be the result of Contractor's acts or omissions, Contractor shall assume complete responsibility for notification of affected parties, and be liable for all associated costs incurred by DES or Purchaser in responding to or recovering from the Data Breach.

The parties intend that an independent contractor relationship will be created by this Contract. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Contractor shall not make any claim of right, privilege or benefit which would accrue to an employee under [Chapter 41.06 RCW](#), or [Title 51 RCW](#).

10.5 Gifts and Gratuities

Contractor expressly agrees to indemnify, defend, and hold harmless the state for any claim arising out of or incident to Contractor's or any Subcontractor's performance or failure to perform the Contract. Contractor waives its immunity under Title 51 to the extent it is required to indemnify, defend and hold harmless state and its agencies, officials, agents or employees.

10.7 Personal Liability

It is agreed by and between the parties hereto that in no event shall any official, officer, employee or agent of the state of Washington when executing their official duties in good faith, be in any way personally liable or responsible for any agreement herein contained whether expressed or implied, nor for any statement or representation made herein or in any connection with this agreement.

Upon request, Contractor shall furnish evidence in the form of a certificate of insurance satisfactory to the State of Washington that insurance, in the following kinds and minimum amounts, has been secured. Failure to provide proof of insurance, as required, will result in Contract cancellation.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of Subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

All insurance provided in compliance with this Contract shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the state.

b. Specific requirements

Employer's Liability (Stop Gap): The Contractor will at all times comply with all applicable workers' compensation, occupational disease, and occupational health and safety laws, statutes, and regulations to the full extent applicable and will maintain Employers Liability insurance with a limit of no less than \$1,000,000.00. Contractor waives all rights against the State of Washington for the recovery of damages to the extent they are covered by general liability or umbrella insurance.

The limits of liability insurance shall not be less than as follows:

General aggregate limits (other than Products-completed operations)	\$2,000,000

Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a combined single limit not less than \$1,000,000 per occurrence. The business auto liability shall include Hired and Non-Owned coverage.

d. Additional insurance provisions

All above insurance policies shall include, but not be limited to, the following provisions:

Written notice shall include the affected Contract reference number.

e. Surplus lines

For insurers subject to [Chapter 48.15 RCW](#) (Surplus Lines) a written notice shall be given to the director of purchasing or designee 20 calendar days prior to cancellation or any material change to the policy(ies) as it relates to this Contract. Written notice shall include the affected Contract reference number.

Identification:

Policy(ies) and certificates of insurance shall include the affected Contract reference number.

f. Insurance carrier rating

The insurance required above shall be issued by an insurance company authorized to do business within the State of Washington. Insurance is to be placed with a carrier that has a rating of A- Class VII or better in the most recently published edition of Best's Reports. Any exception must be reviewed and approved by the Risk Manager for the State of Washington, by submitting a copy of the Contract and evidence of insurance before Contract commencement. If an insurer is not admitted, all insurance policies and procedures for issuing the insurance policies must comply with [Chapter 48.15 RCW](#) and [Chapter 284-15 WAC](#).

g. Excess coverage

The limits of all insurance required to be provided by the Contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the Contractor from liability in excess of such limits.

h. Limit adjustments

The state reserves the right to increase or decrease limits as appropriate.

10.9 Industrial Insurance Coverage

The Contractor shall comply with the provisions of [Title 51 RCW](#) Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, DES may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from the Contractor.

10.10 Nondiscrimination

During the performance of this Contract, the Contractor shall comply with all applicable federal and state nondiscrimination laws, regulations and policies, including, but not limited to, Title VII of the Civil Rights Act, 42 U.S.C. section 12101 et. seq.; the Americans with Disabilities Act (ADA); and, [Chapter 49.60 RCW](#), Discrimination – Human Rights Commission.

In the event of the Contractor's non-compliance or refusal to comply with any nondiscrimination law, regulation, or policy, this Contract may be rescinded, canceled or terminated in whole or in part, and the Contractor may be declared ineligible for further Contracts with DES. The Contractor shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

10.11 Antitrust

DES maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the Purchaser. Therefore, the Contractor hereby assigns to the state of Washington any and all of the Contractor's claims for such price fixing or overcharges which arise under federal or state antitrust laws, relating to the materials, supplies, Services and/or equipment purchased under this Contract.

10.12 Waiver

Failure or delay of DES or Purchaser to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy provided in the Contract or by law; or DES' or Purchaser's acceptance of or payment for materials, supplies, Services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of DES or Purchaser to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of Contract against the Contractor, no provision of this Contract shall be construed, expressly or by implication, as a waiver by DES or Purchaser of any existing or future right and/or remedy available by law.

10.13 Treatment of Assets

Title to all property furnished by Purchaser shall remain in Purchaser. Title to all property furnished by Contractor, for which Contractor is entitled to reimbursement, other than rental payments, under this Contract, shall pass to and vest in Purchaser pursuant to the Ownership/Rights in Work Product and Data section. As used in this section, if the "property" is Contractor's proprietary, copyrighted, patented, or trademarked works, only the applicable license, not title, is passed to and vested in Purchaser.

Any Purchaser property furnished to Contractor shall, unless otherwise provided herein or approved by Purchaser, be used only for the performance of this Contract.

Contractor shall be responsible for any loss of or damage to property of Purchaser which results from Contractor's negligence or which results from Contractor's failure to maintain and administer that property in accordance with sound management practices.

Upon loss or destruction of, or damage to any Purchaser property, Contractor shall notify Purchaser thereof and shall take all reasonable steps to protect that property from further damage.

Contractor shall surrender to Purchaser all Purchaser property upon completion, termination, or cancellation of any Services performed under this Contract.

All reference to Contractor under this section shall also include Contractor's employees, agents, or Subcontractors.

10.14 Patent and Copyright Indemnification

Contractor, at its expense, shall defend, indemnify, and save DES and any Purchaser harmless from and against any claims against DES or Purchaser that any Work Product supplied hereunder, or Purchaser's use of the Work Product within the terms of this Contract, infringes any patent, copyright, utility model, industrial design, mask work, trade secret, trademark, or other similar proprietary right of a third party worldwide. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys' fees awarded by a court or incurred by DES or Purchaser provided that DES or Purchaser:

Promptly notifies Contractor in writing of the claim, but DES' or Purchaser's failure to provide timely notice shall only relieve Contractor from its indemnification obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor; and

Cooperates with and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations.

If such claim has occurred, or in Contractor's opinion is likely to occur, Purchaser agrees to permit Contractor, at its option and expense, either to procure for Purchaser the right to continue using the Work Product or to replace or modify the same so that they become noninfringing and functionally equivalent. If use of the Work Product is enjoined by a court and Contractor determines that none of these alternatives is reasonably available, Contractor, at its risk and expense, will take back the Work Product and provide Purchaser a refund equal to the entire amount Purchaser paid to Contractor for Contractor's provision of the Work Product.

Contractor has no liability for any claim of infringement arising solely from:

Contractor compliance with any designs, specifications or instructions of Purchaser;

Modification of the Work Product by Purchaser or a third party without the prior knowledge and approval of Contractor; or

Use of the Work Product in a way not specified by Contractor; unless the claim arose against Contractor's Work Product independently of any of these specified actions.

11 DISPUTES AND REMEDIES

11.1 Problem Resolution and Disputes

Problems arising out of the performance of this Contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between DES or the Purchaser and Contractor and it cannot be resolved between the parties through the normal problem escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three Business Days. The initiating party shall have three Business Days to review the Response. If after this review a resolution cannot be reached, both parties shall have three Business Days to negotiate in good faith to resolve the dispute.

If the dispute cannot be resolved after three Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three Business Days.

The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time. Both parties agree to be bound by the determination of the Dispute Resolution Panel.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

DES, the Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

11.2 Administrative Suspension

When in the state's best interest, DES may at any time, and without cause, suspend the Contract or any portion thereof for a period of not more than 30 calendar days per event by written notice from the Contract Administrator to the Contractor's Representative. Contractor shall resume performance on the next business day following the 30th day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within the 30 day suspension period by the Contract Administrator providing the Contractor's Representative with written notice of such demand.

11.3 Force Majeure

The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, epidemics, or other similar occurrences.

Exceptions: Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure.

Notification: If either party is delayed by force majeure, said party shall provide written notification within 48 hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract Amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights Reserved: DES reserves the right to authorize an Amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or Services from the best available source during the time of force majeure, and Contractor shall have no recourse against the state.

11.4 Alternative Dispute Resolution Fees and Costs

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys' fees incurred as a result of the alternative dispute resolution method.

11.5 Non-Exclusive Remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

11.6 Liquidated Damages

DES and or the Purchasers and the Contractor agree that the liquidated damages provisions in the Contract are a reasonable forecast of the actual damages that would be suffered by the Purchaser in the event of Contractor's nonperformance, that such liquidated damages are not a penalty but represent the reasonable compensation due Purchaser in the event of a breach, and that such liquidated damages will be assessed as set forth herein.

Any delay by Contractor in meeting the Delivery Date, Installation Date, maintenance or repair date, or other applicable date set forth in this Contract will interfere with the proper implementation of Purchaser's programs and will result in loss and damage to Purchaser.

As it would be impracticable to fix the actual damage sustained in the event of any such failure(s) to perform, Purchaser and Contractor agree that in the event of any such failure(s) to perform, the amount of damage which will be sustained will be the amount set forth in the following subsections and the parties agree that Contractor shall pay such amounts as liquidated damages and not as a penalty.

Liquidated damages provided under the terms of this Contract are subject to the same limitations as provided in the section titled Limitation of Liability.

11.7 Limitation of Liability

The parties agree that Contractor, DES and Purchaser shall not be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on breach of the Security of the System, patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled [Termination for Default](#) and [Retention of Records](#) are not consequential, incidental, indirect, or special damages as that term is used in this section.

Contractor, DES and Purchaser shall not be liable for damages arising from causes beyond the reasonable control and without the respective fault or negligence of Contractor, DES or Purchaser. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of a governmental body other than DES or Purchaser acting in either a sovereign or contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of Contractor, DES, or Purchaser, or their respective Subcontractors.

If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the Products and Services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.

Contractor, DES and Purchaser shall not be liable for personal injury to another party or damage to another party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

11.8 Federal Funding

In the event that federally funded Solicitations result from this Contract, the Contractor may be required to provide additional information (free of charge) at the request of DES or Purchaser and additional restrictions may apply.

11.9 Federal Restrictions on Lobbying

Contractor certifies that under the requirements of Lobbying Disclosure Act, 2 U.S.C., Section 1601 et seq., no Federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any Agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, Amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

11.10 Debarment and Suspension

Contractor certifies, that neither it nor its "principals" (as defined in RCW 39.26.010 (9) or other state statute, regulation or policy) is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal or state department or Agency.

As new laws, rules, and policies are implemented, they will apply to this Contract.

11.11 Failure to Perform

If Contractor fails to perform any substantial obligation under this Contract, DES and/or Purchaser, as applicable, shall give Contractor written notice of such failure to perform. If after 30 calendar days from the date of the written notice Contractor still has not performed, then DES or Purchaser may withhold all monies due and payable to Contractor, without penalty to DES or Purchaser, until such failure to perform is cured or otherwise resolved.

12 CONTRACT TERMINATION

12.1 Material Breach

A Contractor may be terminated for cause by DES, at the sole discretion of the Contract Administrator, for failing to perform a contractual requirement or for a material breach of any term or condition. Material breach of a term or condition of the Contract may include but is not limited to:

1. Contractor failure to perform Services or deliver materials, supplies, or equipment by the date required or by an alternate date as mutually agreed in a written Amendment to the Contract;
2. Contractor failure to carry out any warranty or fails to perform or comply with any mandatory provision of the Contract;

3. Contractor becomes insolvent or in an unsound financial condition so as to endanger performance hereunder;
4. Contractor becomes the subject of any proceeding under any law relating to bankruptcy, insolvency or reorganization, or relief from creditors and/or debtors that endangers the Contractor's proper performance hereunder;
5. Appointment of any receiver, trustee, or similar official for Contractor or any of the Contractor's property and such appointment endangers the Contractor's proper performance hereunder;
6. A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Contract.

12.2 Opportunity to Cure

In the event that Contractor fails to perform a contractual requirement or materially breaches any term or condition, DES may issue a written cure notice. The Contractor may have a period of time in which to cure. The DES is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of DES. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages, or otherwise affects any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, DES may do any one or more of the following:

1. Exercise any remedy provided by law;
2. Terminate this Contract and any related Contracts or portions thereof;
3. Procure replacements and impose damages as set forth elsewhere in this Contract;
4. Impose actual or liquidated damages;
5. Suspend or bar Contractor from receiving future Solicitations or other opportunities;
6. Require Contractor to reimburse the state for any loss or additional expense incurred as a result of default or failure to satisfactorily perform the terms of the Contract.

12.3 Termination for Cause

In the event the Contract Administrator, in its sole discretion, determines that the Contractor has failed to comply with the conditions of this Contract in a timely manner or is in material breach, the Contract Administrator has the right to suspend or terminate this Contract, in part or in whole. The Contract Administrator shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days or as otherwise specified by the Contract Administrator, or if such corrective action is deemed by the Contract Administrator to be insufficient, the Contract may be terminated. The Contract Administrator reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by the Contract Administrator to terminate the Contract.

In the event of termination, DES shall have the right to procure for all Purchasers any replacement materials, supplies, Services and/or equipment that are the subject of this Contract on the open

market. In addition, the Contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor's or its Subcontractor's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience" or (3) Contractor or its principals are debarred as defined in 49 CFR. 29.105 (p). The rights and remedies of DES and/or the Purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

12.4 Termination for Convenience

When, at the sole discretion of DES, it is in the best interest of the state, DES may terminate this Contract, in whole or in part, by 14 calendar day's written notice to Contractor.

12.5 Termination for Withdrawal of Authority

In the event that DES's or Purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract and prior to normal completion, DES may terminate this Contract, or Purchaser may terminate its Order(s), by seven calendar days written notice to Contractor. No penalty shall accrue to DES or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract, or Purchaser to terminate any Order, in order to acquire similar Products and Services from a third party.

12.6 Termination for Conflict of Interest

DES may terminate this Contract costs by written notice to Contractor if DES or Purchaser determines, after due notice and examination, that any party has violated chapter [42.52 RCW](#), Ethics in Public Service, or any other laws regarding ethics in public Solicitations and procurement and performance of contracts. In the event this Contract is so terminated, DES or Purchaser, as applicable, shall be entitled to pursue the same remedies against Contractor as it could pursue in the event Contractor breaches this Contract, as applicable.

12.7 Termination by Mutual Agreement

DES and the Contractor may terminate this Contract in whole or in part, at any time, by mutual agreement.

12.8 Termination Procedure

Upon termination of this Master Contract, DES or Purchaser, in addition to any other rights provided in this Master Contract may require Contractor to deliver to Purchaser any property specifically produced or acquired for the performance of such part of this Master Contract as has been terminated. The section titled [Treatment of Assets](#) shall apply in such property transfer.

Unless otherwise provided herein, Purchaser shall pay to Contractor the agreed-upon Price, if separately stated, for the Products and Services received by Purchaser, provided that in no event shall Purchaser pay to Contractor an amount greater than Contractor would have been entitled to if this Master Contract had not been terminated. Failure to agree on such determination shall be a dispute within the meaning of the section of this Master Contract entitled Disputes. Purchaser may

withhold from any amounts due Contractor such sum as Purchaser determines to be necessary to protect Purchaser from potential loss or liability.

Contractor shall pay any amounts due Purchaser as the result of termination within 30 calendar days of notice of the amounts due. If Contractor fails to make timely payment, Purchaser may charge interest on the amounts due at one percent per month until paid in full.
