Filing Date: 7/16/2009

Amendment No.2 is to extend the term of the contract an additional five months to allow completion of the services required. The extension would allow time for the contractor to discuss their analysis and recommendations with our external business and labor stakeholder group, to obtain feedback from the department, and to make any appropriate changes as a result before issuing their final report.

There was an amendment that was not filed. Amendment No. 1 was not originally filed based on SAAM Manual 15.30.e, No. 2, Amendments that are not required to be filed with with OFM include..."Amendments awarded at the end of the contract term, solely for the purpose of extending the contract period for up to and including two months. This can be either one two-month extension or two one-month extensions."

The purpose of this contract is to continue tobacco youth empowerment activities for state fiscal year 2010. It continues assessing Teens Against Tobacco use (TATU) programs in every county for the Department of Health. TATU is part of the comprehensive approach to reach young people with prevention messages in local communities. The TATU program state wide is a peer education program that reaches over 12,000 young people in our state each year. There is existing infrastructure and strong community relationships within the American Lung Association to implement the program throughout Washington.

This contract, which supports a four-year private grant from The Wallace Foundation to WSAC to design and implement a comprehensive learning project, will develop the project frame work. The contractor will:

- 1) Develop a Regional Learning Framework for the four-year Wallace Excellence Project. The Framework, with activities beginning in Fall 2009, must include:
 - o Recommendations for the conceptual contents and learning models for all activities during the four year period, including overall theme areas and objectives for convenings, learning sessions / workshops.
 - o Propose activities that carry out the overall themes as stated above, such as speaker forums, webinars and online tools, and that are compelling, dynamic and attractive to all types of arts participants.
 - o Suggest formats and types of venues for events with brief rationale.
 - o Recommended local and national speakers and workshop leaders.
- 2) Recommend documentation and evaluation methods including strategies and products for sharing the learning sessions with communities outside the Seattle/Tacoma area.
- 3) Examine related research to inform the Framework. This may include:
 - o The current economic climate and how this is affecting arts organizations in this region.
 - o Existing arts management learning offerings and opportunities to coordinate, rather than duplicate.

This Amendment provides additional funding for implementation, and enhancements to the Habitat Work Schedule System. The Habitat Work Schedule system was developed in part to assist lead entity watershed groups to meet their legislatively mandated requirements per RCW 77.85.060 (Salmon Recovery), and provides transparency and accountability to the public through the Internet. Funding is provided through a grant from the US Fish and Wildlife Services.

Providing IT Support Services, which includes technical support of most aspects of the client computing environment such as network servers, workstations, security, internet connectivity, and network infrastructure. The WWC has grown to support the wine industry in the State of Washington, over the past several years from 06-07 the industry (number of wineries) grew by 17.8%, from 07-08 it grew by 10.5% and from 08-09 it grew by 11.7% with approximately 654 wineries (currently) licensed in the State. Supporting the IT technology of the WWC is critical to the wine industry in this state.
