This Master Contract is one of multiple optional-use Master Contracts entered into by the Department of Information Services (DIS) under the Information Technology Professional Services (ITPS) contracting program, which provides both IT personal and purchased services, in order to reduce the redundancy and the efforts expended by our customers and the vendor community to secure contractors providing information technology services. Contractor will provide the following services under this Master Contract:

- 5 Technology Architecture Planning & Development
- 8 Contingency & Disaster Recovery Planning
- 10 Network & System Administration.

This Master Contract is not subject to the provisions of ESHB 2921, section 602, since the purpose of this Master Contract is to streamline and to reduce the costs associated with the procurement process on behalf of state agencies and this contract does not itself obligate the state for any payments to the vendors.

Washington recently received federal state advisory council grant funds to support the work of the Early Learning Advisory Council (ELAC). Grant funds are to be used to support a wide variety of early learning systems building efforts to be led by ELAC. In order to undertake this work, it is necessary to secure facilitation support for the council. The facilitator will assist in preparing agendas and other materials for council meetings, facilitate meetings, work in coordination with DEL staff and ELAC co-chairs to identify and implement strategies for engaging the council in addressing requirements outlined in the federal state advisory council grant, and will work in coordination with DEL staff and ELAC co-chairs to track the council progress in meeting grant requirements. This Contract is federally funded and is exempt from EHSB 2921 and has been approved by Bob Hamilton, Deputy Director of the Department of Early Learning.

This Amendment extends the end date and revises the Statement of Work to require new deliverables and provides for additional funding. The Habitat Work Schedule System was developed in part to assist lead entity watershed groups to meet their legislatively mandated requirements per RCW 77.85.060 (Salmon Recovery), and provides transparency and accountability to the public through the Internet. Approximately 92.5% of the funding for this Amendment is provided through a federal grant WDFW received from the US Department of Fish and Wildlife (\$80,000); with the Recreation and Conservation Office funding \$6,500 with pass funds it received from a US Department of Commerce (NOAA) grant. DFW is requesting an exemption to the freeze on personal service contracts, per ESHB 2921.
