

Exhibit D, Value Added Reseller

Contract 04913 On-Line File Storage

cloudPWR will act as a local resource for Washington State's Public Contract on Box software. This will include assisting in the establishment of accounts, assisting with initial user specific settings and parameters, local trouble shooting, and local on site training programs. cloudPWR services include 2 pre-defined service bundles and custom developed Statements of Work. Custom services will be developed with agencies for assisting users and IT administrators in implementing Box and developing Box use cases to address specific work problems, which may include integration with 3rd party application software and/or hardware.

Specifically:

- ***When establishing a new Box customer, license pricing will be identical to Box direct pricing.***
- ***For on-site al la carte service, cloudPWR will charge \$195 per hour***
- ***Requirement assessment***
- ***On-site roll-out support***
- ***User specific design***
- ***Custom solution development with or without third party applications and integration***
- ***Administration training onsite***
- ***User training on-site***
- ***Services can be customized to meet specific agency requirements.***
- ***Payments are to be made via state P-card or purchase order.***
