- a. Microsoft will invoice the Reseller based upon confidential net prices and with payment terms agreed to between Microsoft and the Reseller, and those net prices shall be proportionate and correspond to reference prices, payment schedules and other terms and conditions of each applicable Enrollment (and the terms and conditions of this Agreement which apply to each applicable Enrollment); and
- b. The Reseller will invoice the Enrolled Affiliate based upon prices and payment terms agreed to between DES and the Reseller.

This amendment must be attached to a signature form to be valid.
