The Contract Administrator shall be the principal contact for the contractor for business activities under this contract. DES shall notify the contractor in writing, when there is a new Contract Administrator assigned to this contract.

• **Administration of Term Contract**

DES may maintain contract information and pricing and make it available on DES's website. The contract prices are the maximum price contractor can charge. The contractor may offer volume discounts to purchasers.

4.4 Contractor Supervision and Coordination

Contractor shall:

- a. Competently and efficiently supervise and coordinate the implementation and completion of all contract requirements specified herein.
- b. Identify the contractor's Authorized Representative, who will be the principal point of contact for DES concerning contractor's performance under this contract.
- c. Immediately notify the Contract Administrator in writing of any change of designated Authorized Representative assigned to this contract.
- d. Be bound by all written communications given to or received from the contractor's Authorized Representative.

Violation of any provision of this section may be considered a material breach of contract and may be grounds for contract termination.

4.5 Term Contract Management

Upon award of a term contract, the contractor shall:

- a. Promote and market the use of this contract to all authorized contract purchasers.
- b. Work with DES to ensure that those who endeavor to utilize this contract are authorized purchasers under this contract by requesting and documenting the MCUA number at the point of sale.

Alterations to any of the terms, conditions, or requirements of this contract shall only be effective upon written issuance of a mutually agreed contract amendment by DES. Changes to point of contact information may be updated without the issuance of mutually agreed contract amendment.

4.7 Statewide Payee Desk

Contractors must register with the Statewide Payee Desk, maintained by DES, to be paid for contract sales. Washington state agencies cannot make payments to a contractor until it is registered. Registration materials are available here: [Receiving Payment from the State](#).

4.8 Management Fee

Contractor will pay a management fee of 2 percent to DES on all state contract sales/purchase prices for work orders. The purchase price is defined as total invoice price less sales tax.

The management fee must be rolled into the contractor's current pricing; the fee must not be shown as a separate line item on an invoice unless specifically requested and approved by DES.

How to determine the fee: Total sales (not including sales tax) x .0200 = management fee.

DES may increase, reduce or eliminate the management fee, and reserves the right to negotiate contract pricing with the contractor when adjustment of the management fee might justify an increase in pricing.

For purposes of the management fee, the parties agree that the initial management fee is included in the pricing. Therefore, any increase or reduction of the management fee must be reflected in contract pricing commensurate with the adjustment.

Taxability (if applicable): In 2013, the Washington Department of Revenue ruled that if the underlying transaction requires sales tax, the DES management fee portion of the transaction is also subject to a sales tax.

The state reserves the right to audit, or have a designated third party audit, applicable records to ensure that the state has been properly invoiced and all management fees have been paid. Failure to accurately report total net sales, to submit a timely sales report, or remit timely payment of the management fee may be cause for contract termination, the charging of interest or penalties, or the exercise of other remedies provided by law.

The management fee does not include or supersede fees owed to other entities such as the NASPO ValuePoint or government entities other than the state of Washington.

DES will invoice the contractor every quarter based on sales reported by contractor. Contractors are **not to remit payment until they receive an invoice from DES.**

Management fee payment must reference the contract number, work request number (if applicable), the year and quarter for which the management fee is being remitted, and the contractor's name as it is known to DES, if not already included on the face of the check.

Remit management fee to:

Washington State Department of Enterprise Services
 Finance Office
 PO Box 41460
 Olympia, WA 98504-1460

NOTE: DO NOT send payment to the DES Contract Administrator and do not pay prior to receiving the invoice.

4.9 Contract Sales/Usage Report

The management fee will be based on total contract sales, which must be reported quarterly by the contractor in the Contract Sales Reporting System. DES will provide a login password and a vendor number.

Each sales report must identify every authorized purchaser by name as it is known to DES and its total combined sales amount **invoiced** during the reporting period (i.e., sales of an **entire agency** or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by DES, and use of this option without prior approval by DES may be cause for contract termination.

USAGE REPORT DUE DATE: Reports must be submitted electronically within 30 days after the end of the calendar quarter:

For sales invoiced during ...	Due date
Q1 (Jan / Feb / March)	April 30
Q2 (April / May / June)	July 31
Q3 (July / Aug / Sept.)	October 31
Q4 (Oct / Nov / Dec.)	January 31

Failure to provide reports in accordance with the schedule above may be cause for contract termination.

The report may be corrected or modified by DES with subsequent written notice to the contractor.

Upon request, contractor shall provide contact information for all purchasers during the term of this contract. Refer sales reporting questions to the Contract Administrator.

4.10 Other Required Term Contract Reports

DES may require the contractor to provide a detailed annual contract sales history report. This report, if requested, will include at a minimum, but is not limited to: product description, part number or other product identifier, per unit quantities sold, and contract

price. This report must be provided to DES in an electronic format that can be read by MS Excel. Unless the solicitation specifies otherwise, all other required reports will be designed and approved by the parties by mutual agreement.

4.11 Common Vendor Registration and Bid Notification System

Contractor shall be registered in the state's common vendor registration and bid notification system, RCW 39.29.006, known as Washington's Electronic Business Solutions (WEBS) at

<https://fortress.wa.gov/ga/webscust/home.html>

Contractors already registered need not re- register. It is the sole responsibility of contractors to properly register and maintain an accurate vendor profile.

4.12 Payment

a. Advance payment prohibited:

No advance payment shall be made for the products and services furnished by contractor under this contract.

Notwithstanding the above, maintenance payments, if any, may be made on a quarterly basis at the beginning of each quarter.

b. Payment:

Payment is the sole responsibility of, and will be made by, the purchaser.

Under Chapter 39.76 RCW , if purchaser fails to make timely payment(s), contractor may invoice for 1 percent per month on the amount overdue or a minimum of \$1. Payment will not be considered late if a check or warrant is mailed within the time specified. If no terms are specified otherwise in the solicitation, net 30 days will automatically apply.

Payment(s) made in accordance with contract terms shall fully compensate the contractor for all risk, loss, damages or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by contractor.

Payment for materials, supplies and/or equipment received and for services rendered shall be made by purchaser and be redeemable in U.S. dollars. Unless otherwise specified, the purchaser's sole responsibility shall be to issue this payment. Any bank or transaction fees or similar costs associated with currency exchange procedures or the use of purchasing/credit cards shall be fully assumed by the contractor.

Note: when the state has been overcharged or otherwise reimbursed, the purchaser may elect to have either direct payments or written credit memos issued. If the contractor fails to make timely payment(s) or issuance of credit memos, the purchaser may impose a 1% per month on the amount overdue 30 days after notice to the contractor.

c. Invoicing and discounts

Contractor must provide a properly completed invoice to purchaser. All invoices are to be delivered to the address indicated in the purchase order.

Each invoice must be identified by the associated contract number; the contractor's statewide vendor registration number assigned by the Washington State Office of Financial Management (OFM), the applicable purchaser's order number, and must be in U.S. dollars. Invoices must be prominently annotated by the contractor with all applicable prompt payment and/or volume discount(s) and shipping charges unless otherwise specified in the solicitation.

Invoices for payment will accurately reflect all discounts due the purchaser. Invoices will not be processed for payment, nor will the period of prompt payment discount commence, until receipt of a properly completed invoice denominated in U.S. dollars and until all invoiced items are received and satisfactory performance of contractor has been accepted by the purchaser. If an adjustment in payment is necessary due to damage or dispute, any prompt payment discount period shall commence on the date final approval for payment is authorized.

4.13 Taxes, fees and licenses

a. Taxes

Where required by statute or regulation, the contractor shall pay for and maintain in current status all taxes that are necessary for contract performance. Unless otherwise indicated, the purchaser agrees to pay State of Washington taxes on all applicable materials, supplies, services and/or equipment purchased. No charge by the contractor shall be made for federal excise taxes and the purchaser agrees to furnish contractor with an exemption certificate where appropriate.

b. Collection of retail sales and use taxes

In general, contractors engaged in retail sales activities within the State of Washington are required to collect and remit sales tax to Department of Revenue (DOR). In general, out-of-state contractors must collect and remit "use tax" to Department of Revenue if the activity carried on by the seller in the State of Washington is significantly associated with contractor's ability to establish or maintain a market for its products in Washington. Examples of such activity include where the contractor either directly or by an agent or other representative:

- Maintains an in-state office, distribution house, sales house, warehouse, service enterprise, or any other in-state place of business;
- Maintains an in-state inventory or stock of goods for sale;
- Regularly solicits orders from purchasers located within the State of Washington via sales representatives entering the State of Washington;
- Sends other staff into the State of Washington (e.g. product safety engineers, etc.) to interact with purchasers in an attempt to establish or maintain market(s); or
- Other factors identified in WAC 458-20.

c. Department of Revenue registration for out-of-state contractors

Out-of-state contractors meeting any of the above criteria must register and establish an account with the Department of Revenue. Refer to WAC 458-20-193, and call the Department of Revenue at 800-647-7706 for additional information. When out-of-state contractors are not required to collect and remit "use tax," purchasers located in the State of Washington are responsible for paying this tax, if applicable, directly to the Department of Revenue.

d. Taxes on invoice

Contractor shall calculate and enter the appropriate state and local sales tax on all invoices. Tax is to be computed on new items after deduction of any trade-in in accordance with WAC 458-20-247.

e. Overpayments to contractor

Contractor shall refund to purchaser the full amount of any erroneous payment or overpayment under this contract within 30 days' written notice. If contractor fails to make timely refund, purchaser may charge contractor 1 percent per month on the amount due, until paid in full.

f. Proprietary or confidential information

To the extent consistent with Chapter 42.56 RCW, the Public Disclosure Act, DES shall maintain the confidentiality of contractor's information marked confidential or proprietary. If a request is made to view contractor's proprietary information, DES will notify contractor of the request and of the date that the records will be released to the requester unless contractor obtains a court order enjoining that disclosure. If contractor fails to obtain the court order enjoining disclosure, DES will release the requested information on the date specified.

The state's sole responsibility shall be limited to maintaining the above data in a secure area and to notify contractor of any request(s) for disclosure for so long as DES retains contractor's information in DES records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by contractor of any claim that such materials are exempt from disclosure.

4.14 Insurance

The following are general insurance provisions for the State of Washington. Additional requirements specific to a good/service may be detailed elsewhere in a solicitation or its appendices.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. If an insurer is not admitted, all insurance policies and procedures for issuing the insurance policies must comply with Chapter 48.15 RCW and Chapter 284-15 WAC .

f. Excess coverage

The limits of all insurance required to be provided by the contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the contractor from liability in excess of such limits.

g. Limit adjustments

Upon mutual acceptance in writing limits may be increased or decreased as appropriate.

4.15 Antitrust

The state maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, the contractor hereby assigns to the State of Washington any and all of the contractor's claims for such price fixing or overcharges which arise under federal or state antitrust laws, relating to the materials, supplies, services and/or equipment purchased under this contract.

4.16 Disputes and remedies

a. Problem resolution and disputes

Problems arising out of the performance of this contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between DES or the purchaser and contractor and it cannot be resolved between the parties through the normal problem escalation processes, either party may initiate the dispute resolution procedure provided herein. The dispute shall be handled by a Dispute Resolution Panel in the following manner. Each party to this contract shall appoint one member to the Panel. These two appointed members shall jointly appoint an additional member. The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to be bound by the determination of the Dispute Resolution Panel.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

DES, the purchaser and contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by purchaser for materials, supplies, services and/or equipment being provided by contractor, contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided purchaser pays contractor the amount purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount contractor, in good faith, believes is due and payable.

The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended

by contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this contract.

**MINNESOTA WCSA-NASPO MASTER AGREEMENT AWARD
SUMMARY**

1. **BACKGROUND.** The State of Minnesota, Department of Administration, Materials Management Division publicly posted a Request for Proposal on behalf of the State of Minnesota and WCSA-NASPO Cooperative Procurement Program ("WCSA-NASPO") resulting in a Master Agreement Award. After evaluation by a multi-state sourcing team the solicitation resulted in the Minnesota WCSA-NASPO Master Agreements with qualified manufacturers for:

Computer Equipment (Desktops, Laptops, Tablets, Servers, and Storage including related Peripherals & Services).

The original solicitation contains the requirements and definitions establishing the following Product Bands allowed on the Master Agreement. The configuration limits and restrictions for this Master Agreement are provided below. Participating Entities may revise these in their Participating Addendum. **Bands awarded are identified below:**

Band 2: Laptop Band 3: Tablet

The original solicitation included Band 6: Ruggedized. This band has been removed and ruggedized equipment will be allowed in Bands 1-5. The original solicitation and responses may be found on the WCSA-NASPO Website.

2. **EFFECTIVE DATE:** The Master Agreement contract term will begin on April 1, 2015, or upon final executed signatures, whichever is later, through March 31, 2017 with the option to extend up to 36 months, upon agreement by both parties. Contract Sales may not begin until the Website, Product and Service Schedule and third party products have been approved by the Master Agreement Administrator.
3. **PARTICIPATION.** All authorized governmental entities in any State are welcome to use the resulting Master Agreements through WCSA-NASPO with the approval of the State Chief Procurement Official. Contract Vendors are able to sign Participating Addendums (PA) at the option of Participating States. Participating States reserve the right to add State specific terms and conditions and modify the scope of the contract in their Participating Addendum as allowed by the Master Agreement.
4. **CONFIGURATION DOLLAR LIMITS.** The following configuration limits apply to the Master Agreement. Participating States may define their configuration limits in their participating addendum. The Participating State's Chief Procurement Official may increase or decrease the configuration limits, as defined in their Participating Addendum. The Participating State will determine with the Contract Vendor how to approve these modifications to the State's Product and Service Schedule.

The dollar limits identified below are based on a **SINGLE** computer configuration. This is **NOT** a restriction on the purchase of multiple configurations (e.g. an entity could purchase 10 laptops @ \$10,000 for a total purchase price of \$100,000).

ITEM	CONFIGURATION*
Server	\$500,000
Storage	\$500,000
Desktops	\$ 10,000
Laptops	\$ 10,000
Tablets	\$5,000
Peripherals	\$5,000
Services	

Addressed by each State in participating addendum

* Configuration is defined as the combination of hardware and software components that make up the total functioning system. Software purchases are considered a part of the configuration limit of the equipment.

EXHIBIT A - TERMS & CONDITIONS**

MASTER AGREEMENT TERMS AND CONDITIONS

A. GENERAL TERMS, CONDITIONS & INSTRUCTIONS

1. **ACCEPTANCE OF TERMS AND CONDITIONS.** The contents of the RFP and the response of the successful responder will become Master Agreement contractual obligations, along with the final Master Agreement, if acquisition action ensues. A statement of acceptance of the proposed Contract Terms and Conditions, unless taken exception to, as specified in the RFP must be included in the response. Any suggestions for alternate language shall be presented. The Lead State is under no obligation to accept wording changes submitted by the responder. The Lead State is solely responsible for rendering decisions in matters of interpretation on all terms and conditions. Any response which fails to comply with this requirement may be disqualified as nonresponsive.

All general proposal terms, specifications and WSCA-NASPO Terms & Conditions form a part of this RFP and will apply to any Master Agreements entered into as a result thereof.

2. **CONFLICT OF TERMS/ORDER OF PRECEDENCE:**
 - a. A Participating Entity's Participating Addendum ("PA");
 - b. Minnesota WSCA-NASPO Master Agreement (includes negotiated Terms & Conditions)
 - c. The Solicitation including all Addendums; and
 - d. Contract Vendor's response to the Solicitation

These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. Contract Vendor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to the Master Agreement as an Exhibit or Attachment. No other terms and conditions shall apply, including terms and conditions listed in the Contract Vendor's response to the Solicitation, or terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor. The solicitation language prevails unless a mutually agreed exception has been negotiated.

3. **ADDENDA TO THE RFP.** Any addendum issued will become a part of the RFP. The Lead State may modify or clarify the RFP by issuing one or more addenda to all parties who have received the RFP. Each responder must follow the directions on the addendum. Addenda will be numbered consecutively in the order they are issued.
4. **AWARD.** The award of this solicitation will be based upon the total accumulated points as established in the RFP, for separate items, by grouping items, or by total lot, and where at its sole discretion the Lead State believes it will receive the best value. The Lead State reserves the right to award this solicitation to a single responder, or to multiple responders, whichever is in the best interest of the Lead State. It is the State's intent to award to multiple responders. The Lead State reserves the right to accept all or part of an offer, to reject all offers, to cancel the solicitation, or to re-issue the solicitation, whichever is in the best interest of the Lead State.

The Sourcing Team will make a recommendation on the award of this RFP. The commissioner of Administration or designee may accept or reject the recommendation of the Sourcing Team. The final award decision will be made by the Commissioner of Administration and the WSCA-NASPO Management Board.

5. **CLARIFICATION.** If a responder discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in the RFP, the responder shall immediately notify the Acquisition Management Specialist in writing, as

specified in the introduction, of such error and request modification or clarification of the document. This notification is due no later than seven calendar days prior to the proposal due date and time.

Responders are cautioned that any activity or communication with a State employee or officer, or a member of the Evaluation Team, regarding this Solicitation's contents or process, is strictly prohibited and may, as a result, have its response rejected. Any communication regarding this Solicitation, its content or process, must be directed to the Acquisition Management Specialist listed in the Solicitation documents.

6. **COMPLETION OF RESPONSES.** A response may be rejected if it is conditional or incomplete. Responses that contain conflicting, false, or misleading statements or that provide references that contradict or do not support an attribute or condition stated by the responder, may be rejected.
7. **MASTER AGREEMENT ADMINISTRATOR.** The Master Agreement Administrator designated by WSCA-NASPO and the State of Minnesota, Department of Administration is: Susan Kahle. Direct all correspondence and inquiries, legal questions, general issues, or technical issues regarding this RFP to:

Susan Kahle

8. **DISPOSITION OF DATA SUBMITTED BY CONTRACT VENDOR.** All materials submitted in response to this RFP will become property of the Lead State and will become public record after the evaluation process is completed. The evaluation process is complete when negotiations with the selected vendors are final.

By executing this Contract, the Contract Vendor certifies and agrees that all information provided in the Contract and in response to the solicitation will be made public in accordance with the solicitation and that no information has been designated Trade Secret pursuant to the Minnesota Government Data Practices Act.

If the Contract Vendor submits information after execution of this Contract that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minn. Stat. § 13.37, the Contract Vendor must:

- clearly mark all trade secret materials at the time the information is submitted;
- include a statement with regard to the information justifying the trade secret designation for each item; and,
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the Lead State, its agents and employees, from any judgments awarded against the Lead State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the Lead State's award of a Master Agreement. In submitting a response to the RFP, the responder agrees that this indemnification survives as long as the trade secret materials are in possession of the Lead State. The Lead State will not consider the prices submitted by the responder to be trade secret materials.

9. **DISPUTE RESOLUTION PROCEDURES.** Any issue a responder has with the RFP document, which includes, but is not limited to, the terms, conditions, and specifications, must be submitted in writing to and received by the Master Agreement Administrator prior to the opening due date and time. Any issue a responder has with the Master Agreement award must be submitted in writing to the Master Agreement Administrator within five working days from the time the notice of the intent to award is issued. This notice may be made by any of the following methods: notification by letter, fax or email, or posted on the Materials Management website, www.mmd.admin.state.mn.us. The Lead State will respond to any protest received that follows the above procedure. For those protests that meet the above submission requirements, the appeal process is, in sequence: The responsible Master Agreement Administrator, the Materials Management Division (MMD) Assistant Director, and the MMD Director.

10. **ELECTRONIC FILES TO DOWNLOAD, COMPLETE, AND RETURN.** Responders must download a Word/Excel document.

11. **ENTIRE AGREEMENT.** A written Master Agreement (including the contents of this RFP and selected portions of Contract Vendor's response incorporated therein by reference) and any written addenda thereto constitute the entire agreement of the parties to the Master Agreement.

- 12. IRREVOCABLE OFFER.** In accordance with this Request for Proposal, and subject to all conditions thereof, the undersigned agrees that its response to this RFP, or any part thereof, is an irrevocable offer for 180 days following the submission deadline date unless stated otherwise in the RFP. It is understood and agreed that the response, or any part thereof, when accepted by the appropriate department and State officials in writing, may become part of a legal and binding Master Agreement between the undersigned vendor and the State of Minnesota.
- 13. MATERIAL DEVIATION.** A responder shall be presumed to be in agreement with these terms and conditions unless it takes specific exception to one or more of the conditions. Submission by the responder of its proposed language shall not be viewed as an exception unless the responder specifically states in the response that its proposed changes are intended to supersede the terms and conditions.
- RESPONDERS ARE CAUTIONED THAT BY TAKING ANY EXCEPTION THEY MAY BE MATERIALLY DEVIATING FROM THE REQUEST FOR PROPOSAL. IF A RESPONDER MATERIALLY DEVIATES FROM THE GENERAL TERMS, CONDITIONS AND INSTRUCTIONS OR THE WSCA-NASPO TERMS AND CONDITIONS AND/OR SPECIFICATIONS, ITS RESPONSE MAY BE REJECTED.**
- A material deviation is an exception to the Request for Proposal general or WSCA-NASPO terms and conditions and/or specifications that:
- gives the responder taking the exception a competitive advantage over other vendors; or,
 - gives the Lead State something significantly different from that which the Lead State requested.
- 14. NONRESPONSIVE RESPONSES.** Responses that do not comply with the provisions in the RFP may be considered nonresponsive and may be rejected.
- 15. NOTICES.** If one party is required to give notice to the other under the Master Agreement, such notice shall be in writing and shall be effective upon receipt. Delivery may be by certified United States mail or by hand, in which case a signed receipt shall be obtained. A facsimile transmission shall constitute sufficient notice, provided the receipt of the transmission is confirmed by the receiving party. Either party must notify the other of a change in address for notification purposes. All notices to the Lead State shall be addressed as follows:

MASTER AGREEMENT TERMS AND CONDITIONS

B. WSCA-NASPO TERMS AND CONDITIONS

1. **ADMINISTRATIVE FEES.** The Contract Vendor shall pay a WSCA-NASPO Administrative Fee of one-tenth of one percent (0.1% or 0.001) in accordance with the Terms and Conditions of the Master Agreement no later than 60 days following the end of each calendar quarter. The WSCA-NASPO Administrative Fee shall be submitted quarterly and is based on sales of products and services (less any charges for taxes or shipping). The WSCA-NASPO Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

Additionally, some states may require an additional fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contract Vendor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements may not affect the WSCA-NASPO Administrative Fee or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

2. **AGREEMENT ORDER OF PRECEDENCE.** The Master Agreement shall consist of the following documents:
 - a. A Participating Entity's Participating Addendum ("PA");
 - b. Minnesota WSCA-NASPO Master Agreement (includes negotiated Terms and Conditions)
 - c. The Solicitation including all addendums; and
 - d. Contract Vendor's response to the Solicitation

These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. Contract Vendor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment. No other terms and conditions shall apply, including terms and conditions listed in the Contract Vendor's response to the Solicitation, or terms listed or referenced on the Contract Vendor's website, in the Contract Vendor quotation/sales order or in similar documents subsequently provided by the Contract Vendor. The solicitation language prevails unless a mutually agreed exception has been negotiated.

3. **AMENDMENTS.** The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval of the WSCA-NASPO Master Agreement Administrator.
4. **ASSIGNMENT OF ANTITRUST RIGHTS.** Contract Vendor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contract Vendor now has or which may accrue to the Contract Vendor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided to the Contract Vendor for the purpose of carrying out the Contract Vendor's obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.
5. **ASSIGNMENT/SUBCONTRACT. NEGOTIATED.** Contract Vendor may only assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities to an "Affiliate" (any legal entity that Contract Vendor owns, that owns Contract Vendor, or that is under common ownership with Contract Vendor). Contract Vendor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Master Agreement, in whole or in part, to a Non-Affiliate without the prior written approval of the WSCA-NASPO Master Agreement Administrator. Such written approval shall not be unreasonably withheld, conditioned, or delayed and the WSCA-NASPO Master Agreement Administrator shall use his or her best efforts to provide such consent no more than fifteen (15) days from the date of Contract Vendor's request. Any assignment by Contract Vendor pursuant to this provision will not relieve Contract Vendor of its obligations under this Master Agreement.

Contract Vendor may not assign this Master Agreement, in whole or in part to an assignee that has been debarred by federal or state agencies, or where Participating Entity is restricted from accepting the assignment based on Participating Entity's governing state laws.

6. **CANCELLATION.** Unless otherwise stated in the terms and conditions, any Master Agreement may be canceled by either party upon 60 days' notice, in writing, prior to the effective date of the cancellation. Further, any Participating Entity may cancel its participation upon 30 days' written notice, unless otherwise limited or stated in the special terms and conditions of this solicitation or in the applicable Participating Addendum. Cancellation may be in whole or in

part. Any cancellation under this provision shall not affect the rights and obligations attending orders outstanding at the time of cancellation, including any right of a Participating Entity to indemnification by the Contract Vendor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order. Cancellation of the Master Agreement due to Contract Vendor default may be immediate if defaults cannot be reasonably cured as allowed per Default and Remedies term.

7. **CONFIDENTIALITY, NON-DISCLOSURE AND INJUNCTIVE RELIEF.**

7.1 Confidentiality. Contract Vendor acknowledges that it and its employees or agents may, in the course of providing the Product under this Master Agreement, be exposed to or acquire information that is confidential to Participating Entity or Participating Entity's clients. Any and all information of any form that is marked as confidential or would by its nature be deemed confidential obtained by Contract Vendor or its employees or agents in the performance of this Master Agreement, including, but not necessarily limited to (a) any Participating Entity records, (b) personnel records, and (c) information concerning individuals, is confidential information of Participating Entity ("Confidential Information"). Any reports or other documents or items (including software) that result from the use of the Confidential Information by Contract Vendor shall be treated in the same manner as the Confidential Information. 7.2 Non-Disclosure. Contract Vendor shall hold Confidential Information in confidence, using at least the industry standard of confidentiality, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the performance of this Master Agreement to Participating Entity hereunder, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential. Contract Vendor shall use commercially reasonable efforts to assist Participating Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limiting the generality of the foregoing, Contract Vendor shall advise Participating Entity immediately if Contract Vendor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement and Contract Vendor shall at its expense cooperate with Participating Entity in seeking injunctive or other equitable relief in the name of Participating Entity or Contract Vendor against any such person. Except as directed by Participating Entity, Contract Vendor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Participating Entity's request, Contract Vendor shall turn over to Participating Entity all documents, papers, and other matter in Contract Vendor's possession that embody Confidential Information. Notwithstanding the foregoing, Contract Vendor may keep one copy of such Confidential Information necessary for quality assurance, audits and evidence of the performance of this Master Agreement.

7.3 Injunctive Relief. Contract Vendor acknowledges that breach of this Section, including disclosure of any Confidential Information, will cause irreparable injury to Participating Entity that is inadequately compensable in damages. Accordingly, Participating Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contract Vendor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Participating Entity and are reasonable in scope and content.

7.4 Participating Entity is agreeing to the above language to the extent is not in conflict with Participating Entities public disclosure laws.

8. **DEBARMENT.** The Contract Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (Master Agreement) by any governmental department or agency. If the Contract Vendor cannot certify this statement, attach a written explanation for review by WSCA-NASPO.

In any order against this Master Agreement for a requirement established by a Purchasing Entity that discloses the use of federal funding, to the extent another form of certification is not required by a Participating Addendum or the order of the Purchasing Entity, the Contractor's quote represents a recertification consistent with the terms of paragraph 8, Section 2D, Minnesota Terms and Conditions

9. **DEFAULTS & REMEDIES, NEGOTIATED.**

- a. The occurrence of any of the following events shall be an event of default under this Master Agreement:
- i. Nonperformance of contractual requirements; or

- ii. A material breach of any term or condition of this Master Agreement; or
 - iii. Any representation by Contract Vendor in response to the solicitation or in this Master Agreement proves to be false or materially misleading; or
 - iv. Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against either party to this Master Agreement, or the appointment of a receiver or similar officer for either party to this Master Agreement or any of either party's property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
 - v. Any default specified in another section of this Master Agreement.
- b. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure shall not diminish or eliminate Contract Vendor's liability for damages, including liquidated damages to the extent provided for under this Master Agreement.
- c. If a defaulting party is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, the defaulting party shall be in breach of its obligations under this Master Agreement and the non-defaulting party shall have the right to exercise any or all of the following remedies:
- i. Exercise any remedy provided by law; and
 - ii. Terminate this Master Agreement and any related Master Agreements or portions thereof; and
 - iii. In the event of default by the Contract Vendor, and to the extent permitted by the law of the Participating State or Purchasing Entity, the Lead State shall have the right to suspend Contract Vendor's performance and/or suspend Contract Vendor from receiving future bid solicitations;
 - iv. Withhold payment, Products and/or Services until the default is remedied.
- d. Notwithstanding anything to the contrary contained herein, to the extent permitted by applicable law, the sole remedy that the Lead State, Participating State or Entity, and/or Purchasing Entity (collectively, the "WSCA-NASPO Participants") will have for anything related to this subsection is to obtain direct damages from Contract Vendor nor can the WSCA-NASPO Participants recover any other damages from Contract Vendor, including consequential, lost profits, special, indirect or incidental damages.
10. **DELIVERY.** Unless otherwise indicated in the Master Agreement, the prices are the delivered price to any Purchasing Entity. All deliveries shall be F.O.B. destination with all transportation and handling charges paid by the Contract Vendor. Additional delivery charges will not be allowed for back orders.
11. **FORCE MAJEURE.** Neither party to this Master Agreement shall be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. 17. INDEMNIFICATION. NEGOTIATED. Subject to the exceptions below and the Participating Entity's compliance with the notice and defense provisions below, in the event of any defect or deficiency in any Contract Vendor Products purchased by the Participating Entity, Contract Vendor agrees to defend the Lead State, Participating Entities, Purchasing Entities, along with their representatives and employees (collectively, the "Participating Entities") against third party claims for personal injury, death, or tangible property damage suffered by such third party and caused by the negligence, or willful misconduct of Contract Vendor, its employees or agents during the performance of this Master Agreement (a "PI Claim"). This clause shall not be construed to bar any legal remedies Contract Vendor may have with respect to the Participating Entities' failure to fulfill their obligations pursuant to the Master Agreement or any Participating Addendum.

To qualify for such defense, the Participating Entities shall promptly notify Contract Vendor of any PI Claim of which the Participating Entities become aware which may give rise to a right of defense pursuant to this Section. Notice of any PI Claim that is a legal proceeding, by suit or otherwise, must be provided to Contract Vendor within thirty (30) days of the Participating Entities' first learning of such proceeding. If the Participating Entity's laws require approval of a third party to defend Participating Entity, Participating Entity will seek such approval and if approval is not received, Contract Vendor is not required to defend that Participating Entity. If a PI Claim is settled, to the extent permitted by law, the Participating Entities shall not publicize the settlement and will cooperate with Contract Vendor so that Contract Vendor can make every effort to ensure the settlement agreement contains a non-disclosure provision.

Notwithstanding anything to the contrary contained herein, Participating Entities agree that Contract Vendor has no obligation for any PI Claim covered by this Section arising out of or resulting from the Participating Entities' or any of their respective employees', contractors' or agents' acts of negligence, gross negligence or misconduct. THE FOREGOING SHALL CONSTITUTE EACH AND EVERY PARTICIPATING ENTITY'S SOLE REMEDY AND CONTRACT VENDOR'S SOLE AND EXCLUSIVE LIABILITY FOR ALL PI CLAIMS.

B. Limitation of Liability

Notwithstanding anything to the contrary to which any or all of the parties may otherwise agree, except for those direct damages resulting from only those PI Claims above that are caused by the gross negligence or willful misconduct of Contract Vendor (but not caused by acts of negligence) and subject to the conditions and exceptions below, "IP Claims" as defined and covered below and the Participating Entities' respective payment obligations hereunder and/or pursuant to any Participating Addenda (as applicable), the parties agree that Contract Vendor's, its principals' subcontractors', members', agents' and employees (collectively "Contract Vendor Parties") maximum aggregate liability to the Participating Entities, as well as any and all parties claiming through the Lead State or any Purchasing Entity or Participating Entity for all direct damages resulting from, arising out of or relating to this Lead State Agreement and all Participating Addenda, the Products used by the Lead State or any Purchasing Entity or Participating Entity and the Services performed under this Lead State Agreement and pursuant to any Participating Addendum however caused and whether arising under contract, warranty, tort (including negligence), strict liability, statute or any other theory of liability shall not exceed a maximum aggregate amount of ten million dollars (\$10,000,000). The limit set forth in this Section will apply whether or not a party has been advised to the possibility of such damages.

NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, TORT, STRICT LIABILITY, STATUTE OR OTHERWISE, SHALL CONTRACT VENDOR OR ANY OF CONTRACT VENDOR'S EMPLOYEES OR AGENTS BE LIABLE TO THE WSCA-NASPO PARTICIPANTS FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES (INCLUDING WITHOUT LIMITATION, CLAIMS FOR LOST BUSINESS PROFITS OR REVENUE, LOSS OF DATA, INTERRUPTION IN USE, UNAVAILABILITY OF DATA, OR THE COST OF THE PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES) OR FOR PUNITIVE OR EXEMPLARY DAMAGES HOWEVER CAUSED AND WHETHER ARISING UNDER CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, STATUTE OR ANY OTHER THEORY OF LIABILITY.

THE REMEDIES SET FORTH IN THIS AGREEMENT SHALL BE THE PARTICIPATING ENTITIES' SOLE AND EXCLUSIVE REMEDIES FOR ANY CLAIMS AGAINST CONTRACT VENDOR OR ANY OF CONTRACT VENDOR'S EMPLOYEES OR AGENTS UNDER OR RELATED TO THIS LEAD STATE AGREEMENT AND ALL PARTICIPATING ADDENDA. THE PARTIES FURTHER AGREE THAT THE LIABILITY CAP SET FORTH ABOVE SHALL NOT BE APPLIED CUMULATIVELY OR ON A PER CLAIM BASIS AND NOTHING SHALL BE CONSTRUED SO AS TO ENLARGE THAT AGGREGATE LIMIT.

THE PARTIES AGREE THAT THE FOREGOING SECTIONS REGARDING DEFENSE AND LIMITATIONS OF LIABILITY REPRESENT THE BASIS OF THE BARGAIN AND A FAIR ALLOCATION OF RISK BETWEEN THE PARTIES WITHOUT WHICH THEY WOULD NOT HAVE ENTERED INTO THIS AGREEMENT.

C. DEFENSE OF THIRD PARTY CLAIMS FOR INTELLECTUAL PROPERTY INFRINGEMENT AND MISAPPROPRIATION

Subject to the Participating Entities' compliance with the notice and defense requirements and exceptions set forth below, Contract Vendor shall defend the Participating Entities against any claims made by an unaffiliated third party that any Product or its proper or reasonably expected or acceptable use infringes that party's patent, copyright, or trademark or makes unlawful use of its trade secret (an "IP claim"). Contract Vendor will also pay the amount of any resulting adverse final judgment (or settlement to which Contract Vendor consents). This section provides the Participating Entities' exclusive remedy for third party claims of intellectual property infringement and misappropriation.

To qualify for such defense, the Participating Entities' shall promptly notify Contract Vendor of any IP Claim of which the Participating Entities become aware which may give rise to a right of defense pursuant to this Section. Notice of any IP Claim that is a legal proceeding, by suit or otherwise, must be provided to Contract Vendor within thirty (30) days of the Participating Entities' first learning of such proceeding. If the Participating Entity's laws require approval of a third party to defend Participating Entity, Participating Entity will seek such approval and if approval is not received, Contract Vendor is not required to defend that Participating Entity. In the event the Participating Entity does not authorize sole control to Contract Vendor over any claims that may arise under this subsection, then the parties agree that Contract Vendor will be granted authorization to equally participate in any proceeding subject to this subsection. If an IP Claim is settled, to the extent permitted by law, the Participating Entities shall not publicize the settlement and will cooperate with Contract Vendor so that Contract Vendor can make every effort to ensure the settlement agreement contains a non-disclosure provision.

Subject to the Participating Entities' compliance with the notice and defense requirements and exceptions set forth above, Contract Vendor's obligation to defend the Participating Entities against third party IP Claims will not apply to the extent that the claim or award is based on:

- i. Contract Vendor's compliance with a Participating Entity's designs, specifications, or instructions;
- ii. Contract Vendor's use of technical information or technology provided by the Participating Entity;
- iii. Non- Contract Vendor software, modifications a Participating Entity makes to, or any specifications or materials a Participating Entity provides or makes available for, a Product;
- iv. Participating Entity's combination of the Product with a non- Contract Vendor product, data or business process; or damages based on the use of a non- Contract Vendor product, data or business process;
- v. Participating Entity's use of either Contract Vendor's Trademarks or the use or redistribution of a Product in violation of this Lead State Agreement, Participating Addendum, or any other agreement incorporating its terms; or
- vi. Participating Entity's use of a Product after Contract Vendor notifies Participating Entities to discontinue that use due to a third party claim.

If Contract Vendor reasonably believes that a Product may infringe or misappropriate a third-party's intellectual property rights, Contract Vendor will seek to:

- i. procure for Participating Entities the right to continue to use the Product; or
- ii. modify or replace it with a functional equivalent to make it non-infringing and notify Participating Entities to discontinue use of the prior version, which Participating Entities must do immediately.

If the foregoing options are not commercially reasonable for Contract Vendor, or if required by a valid judicial or government order, Contract Vendor may terminate Participating Entities' license or access rights in the Product. In such a case, Contract Vendor will provide Participating Entities with notice and refund any amounts Participating Entities have paid for those rights to the Product.

THE FOREGOING SHALL CONSTITUTE THE LEAD STATE'S AND EACH AND EVERY PARTICIPATING AND/OR PURCHASING ENTITIES' SOLE REMEDY AND CONTRACT VENDOR'S SOLE AND EXCLUSIVE LIABILITY FOR ALL IP CLAIMS.
