Welcome

This guide brings together a variety of requirements for use of the public areas of the Capitol Campus. You’ll find checklists and helpful hints for event planning. You’ll also find tips on how to make your activity more environmentally sustainable. Our goal is to help you successfully plan and conduct your events and activities, while respecting the historic character of the Capitol Campus and the conduct of government business.

USING THE GUIDE

Moving around the Guide
This Guide is designed to be used on your computer. As you read it, you will see words with colored text. These words link to more information. When you click on the colored text with your mouse; you will jump to another location in this Guide or on the internet.

🌟 You can return to your starting place by pressing the Alt key and the left arrow on your keyboard at the same time.

Need help?
The Department of Enterprise Services (DES) manages the Capitol Campus. By working together, we can help your event be successful. We encourage questions as the best way to make this happen.

This Guide and other information are available on DES’s website at www.des.wa.gov.

For questions or help, you can contact us:

- In person - Our offices are located on the Campus just inside the SE entrance of the Legislative Building. The entrance is near the corner of Sid Snyder Avenue and Cherry Lane SW;
- By phone - (360) 902-8881;
- By email - campusevents@des.wa.gov
**STEPS TO GETTING YOUR PERMIT**

**Do I need a permit?**

You must have a permit to:

- Reserve access to specific locations for specific times.
- Receive support services from us.

Permits are required for:

- Free speech activities involving more than 25 people inside the buildings or more than 75 people outside.
- All private or commercial activities.
- Displays located outside on the Capitol grounds or to hang a banner from the 14th Street pedestrian bridge over Capitol Way.

Only government sponsors may place displays inside of the Capitol buildings. See our online guidance on displays on the capitol grounds for more information.

A permit is not required for:

- Spontaneous gatherings on the Capitol grounds.
- However, you must notify us at least two hours in advance. See our online guidance on managing spontaneous gatherings for more information.

Permits are not available for camping on the capitol grounds. This is because of a state code prohibition (see WAC 200-200-435.).

**Start by applying online**

You can schedule events and activities through our online permit application from two days to one year in advance of the event.

Include in your application:

- As much detail as you can about your plans and needs so that we can help you prepare for a successful event.

Example of details to include with your application:

- A request for us to setup tables and chairs.
- Stage and sound system for a rally outside.
- Food service plans.
- Portable restrooms.
- Bus parking needs.
The online application includes our Capitol Campus Use Agreement. When you submit your application you are also agreeing to follow the Use Agreement. Please read and understand the Use Agreement because it contains the minimum obligations and requirements for your use of the Capitol Campus. Large or complex events may require changes or additions to our Use Agreement. Your permit or your event contract will contain any necessary changes or additions.

**How do I know my application is complete?**
Your application is considered complete when:

- The application fee is paid. Applications will be cancelled if the fee is not paid within 30 days; and
- Enough detail is provided for us to understand the important elements of your event.

**How long will it take to review my application?**
Completed applications will be:

- Reviewed on a first come first service basis.
- All applications will be reviewed within two days.

Prior events you have sponsored will be considered during the application review. Government activities have first priority over other events.

**Sometimes we will issue you a conditional permit**
We may issue you a conditional permit if our initial review determines that:

- Your event meets reasonable time, place and manner criteria; and
- The complexity of your event requires more than 2 days for us to decide if more conditions are needed.

We will work with you to try to reach a mutual agreement on any added permit conditions. If we are not able to reach agreement, we may cancel or change your conditional permit.

**Your final permit**
After we both agree to any added conditions, we will issue you a final permit. Please note that your permit is not transferable to another person or organization.

**Schedule support services for your event**
We offer event support services, such as equipment rental, setup, and custodial services. The cost of these services is not paid out of general taxes, but is covered by user service charges.

Service charges will vary depending on the activity and level of service required by your event. Please see online guidance on scheduling support services and Section 3 “How much will it cost?” for details on service charges.
To manage our services effectively, we ask that you submit your request for our services at least five full working days before your activity. While you do not need a permit to schedule our services; we cannot actually deliver any services until you have a permit and pay for the service.

**A planning timeline for your event**
To help you plan your event and meet deadlines, a schedule is provided with typical lead times for completing tasks and submitting required documents at the end of this Guide in Attachment A.

Frequently Asked Questions

When are charges due?
• All charges must be paid at least two working days before the start of your activity. Government agencies will be invoiced.

How are charges determined?
• Charges are based on your activity type(s) and any services or amenities that we provide to you.

How can I pay?
• Business or personal checks at our office in the Legislative Building on the Capitol Campus. Our office is located just inside the southeast entrance near the corner of Sid Snyder Avenue and Cherry Lane SW. Mailing address: PO Box 41034--Olympia, WA 98504-1034.
• Credit cards; contact Visitor Services at (360) 902-8881 or the DES Finance Division at (360) 725-5700.
• Government agencies will be invoiced.

Do I get a refund if my activity is cancelled?
• You must cancel your activity 48 hours prior to the event to receive a full refund. The application fee is non-refundable.

See our online guidance on scheduling support services for more information.
IMPORTANT THINGS TO KNOW

Ask before you advertise
You must get our written approval to use our agency logo or to publicize your event. Please review any advertising or publicity that references us or the Capitol Campus with our Communications Director before releasing to the media.

Alcohol use is restricted
Alcohol use is restricted on the Capitol Campus, and events must comply with our Restricted Alcohol Use Policy. If we monitor compliance with your Restricted Alcohol Use Permit, we will charge staff time accordingly. Please see Section 3 above for more support service charges information.

Briefings make for a successful event
Working collaboratively can resolve most logistical and planning challenges. DES is always willing to arrange a planning briefing, as far in advance as practical, with the parties having key roles in conducting your event. We may need a briefing for large or complex events. We will follow-up with a final briefing just before your event.

If we need a planning briefing, your participation is very important. DES may cancel or change your event permit if you do not attend your scheduled pre-event briefing and critical logistical or support service issues are left unresolved.

DES can also arrange a post-event briefing in the weeks after your event to discuss what went well for you, and what we can learn for future events.

Capacity and occupancy loads
A maximum occupancy has been set for some inside locations on the Capitol Campus. These locations have limited capacity and people must be able to enter and leave safely.

A recommended capacity has also been set for some outside locations. The actual capacity allowed will vary based on your specific event and other factors.

Together, we are responsible for making sure that use of the public areas of the Capitol Campus remains safe. When your safety or the safety of others is at risk, we may need your event participants to leave the building or area.

Evacuation requirements are covered later in this section under Safety, security and crowd control.

**Clean up and trash removal**

The Capitol Campus is regarded as one of the most beautiful in the nation. We ask that you restore the Capitol Campus to its original condition and appearance after your event.

You may be responsible for collecting and disposing of trash from your permitted location and the general clean-up of the surrounding area within two hours after the end of your event, or as otherwise required by your permit. Please collect recyclable materials, such as cardboard, paper, glass bottles, aluminum cans and plastics, separately for reuse/recycling by DES.

Trash and recycling receptacles are included for your event. If necessary, we may require and place additional receptacles, including dumpsters or receptacles for compostable waste, at your cost. Please prevent receptacles from overflowing.
If the Capitol Campus is not cleaned up appropriately after your event, we may charge you for any costs we incur to restore the Capitol Campus to its original condition and appearance. Please see the section above regarding Campus access charges.

**Clear and free access**
In addition to hundreds of scheduled events, the Capitol Campus houses about 10,000 state employees and hosts more than 100,000 visitors each year. Clear and free access to the public areas of the Capitol Campus is important at all times:

- Our staff and representatives, law enforcement, and emergency response personnel must have clear and free access to all areas of your event at all times.
- Please make sure your event is accessible to persons with disabilities, including access to toilet facilities. Specific requirements for toilet facilities are covered later in this section.
- Brief your event participants on the location of emergency exits and access routes before the start of your event. Contact us for emergency exit and access route information.
- Please make sure that emergency exits and access routes are unobstructed and open at all times during your event.
- Please make sure that all stairs and stairwells are unobstructed and open at all times during the event. We may require stanchions in the Rotunda, on the Legislative Building north steps, or on the Temple of Justice stairs. Information on additional support service charges can be found in Section 3 of the Guide.

**Commercial filming and photography**
Locations are available for filmmakers, photographers, and videographers on the Capitol Campus, the North Cascades Gateway Center and other locations we manage. Please see our online commercial filming guidance for specific information on the permitting process.

Because filming activities can be complex, we may coordinate your filming activities with Washington Filmworks, a non-profit organization that provides film production support across the state as well as film/TV/commercial production incentives.

If you are planning to have a commercial photographer or filmmaker as part of a larger activity, such as a wedding, we typically require only one permit for the combined activity.

**Contract**
We require an event contract for all large and complex events and for other activities with special requirements and/or risks of costs or damages. When an event contract is required, we will issue you a conditional permit and negotiate a formal contract with you as far in advance of your event as practicable. We may cancel or change your conditional permit if we cannot reach agreement and complete a signed contract at least two days before the event.
Damage and injury
You are responsible for any property damage or loss, or personal injury sustained during or as a result of your activity. You are also responsible for vandalism, damage, loss, or other destruction of property caused to or by your activity.

When a contract is required, your permit will include the following conditions:

*To the fullest extent permitted by law, you shall indemnify, defend and hold harmless the State, agencies of State and all officials, agents and employees of State, from and against all claims for injuries, death or damage to property arising out of or resulting from your activity.*

*Your obligation to indemnify, defend, and hold harmless includes any claim by your agents, employees, representatives, subcontractor or its employees or participants in your activity.*

*You expressly agree to indemnify, defend, and hold harmless the State for any claim arising out of or incident to your activity.*

*You waive your immunity under Title 51 to the extent required to indemnify, defend and hold harmless the State and its agencies, officials, agents or employees.*

Fire safety
Safety is an essential consideration at any event. Please consult with the City of Olympia Fire Marshall as far in advance as possible when your event includes tents/canopies, heaters, or cooking equipment or has an estimated attendance of more than 500 participants. This makes sure that you can have safety plans in place for the event.

Include details of any proposed fireworks with your application. Any proposed use of fireworks on the Capitol Campus must follow the State fireworks law. If we approve fireworks for your event, you must also contact the City of Olympia Fire Marshall to request a permit for a public fireworks display. The sale or personal use of sparklers or similar objects by event participants is prohibited.

Minimum fire safety standards apply to outside displays associated with your event. Please see our online guidance for displays on the Capitol grounds for more information.

Food and beverages
Due to the historic character of the Capitol Campus and the need to make sure conditions are safe and sanitary, we may set additional requirements for food and beverages at events. For example, we typically will not permit beverages with red dyes in carpeted areas because of the risk of permanently staining the carpets. We also discourage using disposable glass containers and recommend serving food and beverages in reusable or recyclable containers. When food is provided or brought to your activity, mandatory custodial charges may apply.

Insurance
We may require you to provide insurance at your cost. When insurance is required, your permit or contract will include at a minimum the following additional conditions:
You are required to obtain insurance to protect us should there be any claims, suits, actions, costs, or damages or expenses arising from any negligent or intentional act or omission of you, your representatives, or attendees of your event under the terms of your permit.

You shall furnish evidence in the form of a certificate of insurance satisfactory to us that insurance, in the following kinds and minimum amounts, has been secured by you.

Failure to provide proof of insurance before the start of your event will result in the cancellation of your permit. We will not remind you of this and we will not reschedule your activity under the same permit when you fail to provide proof of insurance. The limits of insurance shall not be less than as follows or otherwise determined by us:

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Amount</th>
</tr>

<tr>
<td>Fire Damage Limit (per occurrence)</td>
<td>$ 50,000</td>
</tr>
<tr>
<td>Medical Expense Limit (any one person)</td>
<td>$ 5,000</td>
</tr>
</tbody>
</table>

**Issue management**

Unforeseeable issues or concerns may arise even during the best planned events. Please make a dedicated cell phone number available to receive calls up to eight hours before the start of the event and at least one hour after the end of the event. We may ask you to keep a log of any issues that arise or calls that you receive and make it available to us during and after the event.

**Location restrictions**

We may limit or restrict access to areas of the Capitol Campus in which additional historic, design, health, safety, security, operational, or other such considerations may apply.

Event vendors (tent installation, catering, etc) have difficulty accessing, setting up and tearing down.</td>
<td>Use of the Flag Circle for non-governmental events will be by exception and will require our Director's or our Deputy Director’s approval. In order to decrease damage to the lawn and beds, a limited number of events will be permitted during legislative session with a 4 week recovery time between events. Lawns and planting beds will be protected. At a minimum, pathways, tent interior floor spaces and tent perimeters will be protected with a plywood covering. Event sponsors will post a damage bond. All Flag Circle events will need a contract that contains provisions addressing recovery of damage and loss. No events including preparation activities associated with an event will be held in the Flag Circle when frost has occurred.</td>

**Noise control**

Please tell us on your application if your event is likely to produce a lot of noise. As part of the community, events on the Capitol Campus must follow the City of Olympia noise requirements.

We may also restrict noise if it would unreasonably disrupt or interfere with the normal conduct of government business. If you plan to have amplified music or sound, including live bands or DJ’s, we may monitor noise levels throughout the event. If we require noise monitoring, you are responsible for this cost. Please see the section above about additional service charges for more information.

We generally will not permit events to continue past 11:00 pm, unless special circumstances apply.
Parking

Visitor parking

Paid visitor parking is available both on and off the Capitol Campus. All visitor parking areas on the Capitol Campus have meters that accept cash, debit cards or credit cards.

Some visitor parking locations have Dash shuttle service. Dash is the free shuttle operated by Intercity Transit that connects the Capitol Campus with downtown Olympia. Please see the map at the end of the Guide for parking and Dash locations.

Please do not park in the residential neighborhoods bordering the Capitol Campus. Parking restrictions are strictly enforced by the City of Olympia.

Reserved parking

Limited reserved parking may be available at some Capitol Campus locations (listed below). Please submit your reserved parking request at least five full working days before your activity, regardless of when you submit your permit application for your activity. We consider requests for reserved parking on a first-come-first-served basis. Please see our online guidance on activity parking on the capitol grounds for rates and more information.

Power and water
Many events rely on powered equipment or lighting. We may require area lighting when your outside event is active after sunset.

DES may be able to make limited power sources available at no cost. If such a power source is not available, you may use portable generators for your outdoor power needs. For safety, make sure power cords do not pose a trip hazard and disconnect all power sources whenever your venue is unattended. Keep generator noise levels below 65 decibels.

Because of the risk of damage to the historic grounds, please refuel portable generators only at designated locations. Contact Visitor Services for the nearest location to your venue.

Water sources on the Capitol Campus grounds are restricted to government use. You are responsible for providing for your own outdoor water needs. Please consult us regarding any equipment clean-up activity, so that we can work together to make sure that no runoff creates a potential environmental hazard to the surrounding landscape.

Protection of the Capitol Campus and other locations
The Capitol Campus is regarded as one of the most beautiful in the nation. Please respect the historic facilities and the equipment and infrastructure that support them.

Please make sure that underground infrastructure such as irrigation and power lines are not damaged or interfered with in any manner whatsoever. DES requires a survey to confirm if underground infrastructure is present that could be damaged by your activity.

If Capitol Campus facilities, equipment or infrastructure are damaged, we will invoice you for any costs we incur to restore the Capitol Campus to its original condition and appearance.

Public address systems
Public address systems may not unreasonably disrupt or interfere with the normal conduct of government business. Please maintain a reasonable volume and face loudspeakers only towards the event attendees. Please see Noise Control for additional information.
Safety, security and crowd control
Safety is an essential consideration at any event. You are responsible for making sure that your event is safe for your participants and for other users of the Capital Campus. We may need you to provide first aid personnel and stations for your event. If so, we also ask that you provide us with a report of any first aid incidents within seven days after the event.

To make sure we are prepared for emergencies, we inform the City of Olympia Fire and Police Departments and the Washington State Patrol about any approved events with more than 500 participants. Please see Fire Safety for additional information. We may also require you to consult with the Washington State Patrol, as far in advance as practicable.

Brief your event participants on the location of emergency exits and access routes prior to the start of your event. Contact us for emergency exit and access route information. Please see Clear and Free Access for additional information.

Security and crowd management plans
We may require you to prepare a security and crowd management plan for your event. The most important factors we consider when deciding if such a plan is needed are:

1. **Time** - Will people all arrive at once or leave over a short period? Greater management is required in these situations, and we encourage spacing out arrivals and departures.
2. **Space** - Will the event be in a confined space that limits movement? Greater management is required in these situations.
3. **Information** – How will you keep people informed? The crowd’s perception of what is happening is important. For instance, if an event is delayed but the crowd does not know why, they may become concerned and try to enter a building or go to another area of the Campus all at once.

A security and crowd management plan may include requirements for your event staff to be on site until all participants have left, a clear method for counting the number of participants, a plan for dispersing the crowd if it becomes too large, and enhanced security around sensitive equipment such as sound booths or lighting scaffolds. We do not consider security arrangements made for specific individuals attending your event to be part of any other safety or security requirements for your event participants.

Risk management plans
Unforeseeable issues or concerns may arise even during the best planned events. For example, foul weather may force the delay or cancellation of a scheduled event. Because Capitol Campus buildings cannot safely accommodate large unexpected crowds, it is essential that you make alternative plans that do not include using the Capitol Campus buildings for shelter.

We may require you to prepare a risk management plan for large or complex events. We will review and approve your plan as a condition of your permit. Please see risk management and planning for additional information.
Tents and canopies
We may permit the use of tents and canopies on the Capitol grounds. These offer shelter from the weather and help make sure that Capitol buildings do not become too crowded. We will charge you under certain conditions for putting up a tent or a canopy. Please see the sections on special conditions and vendors and contractors for more information. For safety, we require a site inspection with a our representative before the start of your event.

We may have to deny permission to use tents or canopies due to foul weather (such as high winds, snow or frost) or other unforeseen operational issues. We will try to work with you on alternative arrangements as far in advance as practical.—

We encourage you to make sure that the tents are adequately heated and ventilated. You must get a fire safety review or a temporary fire permit from the City of Olympia Fire Marshall. We may cancel or change your permit if you do not get a fire safety review or a temporary fire permit.

As noted above, clear and free access is important at events. Please make sure that tents or canopies do not obstruct emergency exits and access routes. Our staff and representatives, law enforcement, and emergency response personnel must have clear and free access to all areas of your event at all times. Please keep at least one sidewall of each tent or canopy open at all times to allow an unobstructed view into the tent or canopy.

The Capitol Campus must be protected from damage during tent or canopy installation. In order to protect lawn and bedding areas, we require protective hard ground coverage:

- Complete flooring coverage of the interior of all tents and canopies; and
- 4’ wide perimeter surrounding the exterior of each tent over 100 square feet; and
- 8’ x 8’ coverage underneath each on site refuse/recycling area.

When your tent is located in an area without direct access to sidewalks, we may also require you to provide temporary hard surface walkways across lawn areas.

Toilet facilities
Capitol Campus buildings do not have enough restrooms for large events. We typically require you to provide portable toilets for all events with more than 500 participants. Please use the tables below to calculate how many portable toilets you will need.

Please work with us to plan as far in advance as practical for the location and support of portable toilets. Important factors include ensuring that at least 5% of all toilets are unisex and wheelchair accessible, that toilets are kept clean to DES’s custodial services standards, and that they are kept stocked with restroom supplies. We may ask you to provide directional signage to the toilets. Lighting is required for portable toilets used for nighttime events; flashlights are not acceptable. If your event will last more than four hours, the toilets must be positioned so that pump-out vehicles can access them during the event. DES will make the final determination on where the portable toilets will be located.

Transportation and traffic
If your event will draw more than 500 people, as a condition of your permit we may need you to prepare a transportation plan to discuss how participants will get here and where they will park. DES encourages public transportation, vanpooling, carpooling, walking or biking. Please be sure to plan for access for persons with disabilities.

Road Closures
We try to accommodate events within the Capitol Campus. However, some events may require closing adjacent city walkways, roads and parking areas. If so, you may also need permits from the City of Olympia. DES also must approve of any closures that would affect access to the Capitol Campus. Please include this information in your application, and provide us copies of any required City of Olympia permits at least two days before the start of your event.

Buses
Capitol Campus access is limited and many roads are narrow roads. Please contact us at least five days before your event so that we can coordinate bus loading and unloading. Please update us with your bus load counts at least two hours in advance of their arrival.

We have designated the Winged Victory turnaround circle on the west campus as a bus loading zone. This loading zone can handle only four buses at a time. We may need to block part of the South Diagonal to allow buses to wait their turn. You are responsible for the costs to block the South Diagonal. See our online Capitol Campus Use Rate Schedule for specific charges.

Bus parking is restricted on the Capitol Campus. Once buses have unloaded passengers, they should proceed to the Deschutes Parkway to park. Parking is first-come-first-serve and you may want to reserve parking for your event buses. Please see Parking for more information.
In the event of an emergency, buses must be able to return to pick up your event participants within 15 minutes of notice.

Public transportation to and from the Capitol Campus may be available from
- **Intercity Transit** is the local public transportation provider. For route information, call 360-786-1881 or 1-800-287-6348. For TTY call 360-943-5211;
- **Pierce Transit** – Tacoma 1-800-562-8109;
- **Mason Transit** – Shelton 1-800-374-3747 or 360-427-5033;
- **Grays Harbor Transit** – Hoquiam 1-800-562-9730.

**Vendors and contractors**
All vendors and contractors performing work on the Capitol Campus must:
- Comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards.
- Obtain a service parking permit or use paid visitor parking when parking on the Capitol Campus. Service permits are valid in reserved service or vendor stalls only. Contact our Parking Office at: parking@des.wa.gov or (360) 725-0030
- Obtain insurance to protect us should there be any claims, suits, actions, costs, or damages or expenses arising from any negligent or intentional act or omission of you, your representatives, or attendees of your event under the terms of your permit.

We may ask you to provide evidence that your vendor or contractor agrees to meet the minimum requirements. We may cancel or change your permit if you do not provide this information at least two days before the start of your event.

The limits of insurance shall not be less than as follows or otherwise determined by us:

- General Aggregate Limits $2,000,000
- Personal and Advertising Injury Aggregate $1,000,000
- Each Occurrence (applies to all of the above) $1,000,000
- Fire Damage Limit (per occurrence) $ 50,000
- Medical Expense Limit (any one person) $ 5,000

If your vendor or contractor brings a vehicle on the Capitol Campus for event setup or breakdown on the Capitol Campus, there is an additional requirement for automobile liability insurance with a minimum limit of liability of $1,000,000 CSL or the multiple limits equivalent.

**Weddings**
The Capitol Campus hosts weddings in some of the indoor public areas and on the grounds throughout the year. Not all indoor public areas are appropriate for weddings during normal business hours, so we encourage you to schedule your private indoor wedding after normal business hours.
Please see Section 3 above for potential charges.

Guests at weddings held after normal business hours in the Legislative Building typically
enter through the north entrance at the top of the north steps.
Please let us know when someone in your wedding party is unable to use the main steps and we will make the southeast entrance available. Otherwise, all other exterior doors will be closed. Wedding guests and the wedding party must stay in the areas scheduled for your wedding (Rotunda, corridors, Columbia Room, etc.)

Capitol Campus buildings do not have changing rooms available, so your wedding party may need to use public restrooms. Not all restrooms have power outlets. Outdoor restrooms on the Capitol Campus, they may not be suitable for use as changing rooms for weddings.

Candles, helium balloons, and rice are not allowed at indoor weddings. Indoor displays, signs and banners are only permitted for private, after-hours weddings.

RISK MANAGEMENT AND PLANNING

Unforeseen issues or accidents occur even during the best planned events. This is normal. Risk management planning can be helpful for any event, and we may require you to prepare a plan for large or complex events as a condition of your permit.

What to do if there’s an injury or damage.

Sometimes people get hurt or property is damaged. If it happens, respond as soon as possible:

- Call 911, if needed. Stay with any injured person(s) or stay at the scene until help arrives;
- Call Visitor Services at 360-902-8881 and tell us what has happened;
- If appropriate, contact the person or people involved to see if additional help is needed.

After such an incident, we will ask you to meet with us for a post-event briefing so we can learn from the incident and help make sure that it does not happen again or to reduce future risks.

Planning for issues during your event

Small issues can quickly become emergencies. Advance planning helps you to reduce risks by ensuring that together we all know what to do to protect the health and safety of your event attendees, other Campus workers and visitors, and the surrounding community. It also helps protect the historic Capitol Campus buildings and grounds.

A table of key event risks

The following table outlines some possible risks that you may need to consider in your planning. Please consider whether they apply to your event, then analyze how much of a risk they pose, and determine how to manage the risks where needed.

For example, you must submit your application by the close of business on Monday to hold an event on the following Thursday, and you must submit your application by the close of business on Wednesday to hold an event on the following Saturday, Sunday, or Monday.
- **Director** means the director of the Department of Enterprise Services.
- **Display or exhibit** means an object or collection of objects presented publically with the intent to communicate facts, a particular impression, a viewpoint or an on opinion. Exhibits or displays include, but are not limited to, banners, signs, paintings, sculpture, ceramics, photographs, projected images, video or computer screens, informational booths and tables, or other similar objects and arrangements.
Exhibits and displays do not include equipment used in the performance of medical or therapeutic services during a permitted activity, such as a blood drive, delivering flu shots, or administering a therapeutic massage.

- **Event Type** refers to how we categorize events. For the purpose of activities held on the buildings and grounds, we categorize events by following types:
  
  - Free speech and assembly;
  - Government;
  - Commercial;
  - Private.

- **Free speech and assembly activity** means an activity for the purpose of communicating information or ideas to others that will draw the attention, attendance, or participation of others.

- Free speech and assembly activities include, but are not limited to, assemblies, marches, rallies, performances, community events, press conferences, demonstrations, celebrations, ceremonies, speeches and other similar expressive activities.

- **Enterprise Services, DES, department, us, our or we** refers to the Department of Enterprise Services.

- **Government activity** means an activity sponsored by government for the conduct of government business.

- **Large or Complex Event** means any single, non-repeating event or activity, either indoor or outdoor, where:
  
  - Over 1000 people assemble, or
  - The activity requires exclusive use of an area for more than one day, or
  - The activity excludes an area from normal use for a specified period of time, or
  - The activity presents unusual financial, safety or health risks.

Some examples of typical large or complex events are rallies, parades, marches, outdoor concerts, shows, fairs, festivals, exhibitions, filming and weddings.

- **Local community event** means a locally organized event where the event is held for the benefit of the communities surrounding the Capitol Campus. The sponsor of a local community event must be a non-profit that is registered with the Secretary of State. Some local community events may be considered to be free speech activities.

- **Permit** means a written or electronic permit issued by the Department of Enterprise Services authorizing the use of public areas of the capitol buildings and grounds.

- **Private activity** means an activity that is not open to the general public. Private activities include, but are not limited to, banquets, receptions, award ceremonies, weddings, concerts, dances, and seminars.
• *Public area* means those areas of the capitol buildings and grounds that are generally open to the public, such as a building's primary public entrance lobby; rotundas and adjoining public mezzanines; and exterior plazas and lawns. Public areas do not include offices, meeting rooms, and other work areas that are ordinarily reserved for or primarily devoted to conducting the business and operations of state government; the governor's mansion; and any area which is identified by a sign indicating that the area is not open to the public.

• *Sponsor* means the agency, person, company or organization who submits an application to us for approval to stage an event or activity. The sponsor make sures all permit requirements are followed and agrees to be held liable for damages, injuries or losses that rise up out of the event.

• *Spontaneous gathering* means a temporary gathering of a group of people who come together in response to breaking news or events. One example of a spontaneous gathering is a flash mob. Spontaneous gatherings are typically free speech and assembly activities.

• *Support services* means services provided by us that you will need for your activity and for which there are fees. Some examples of support services are custodial services, electrical or other trades, equipment rental, or the exclusive use of a location.
