**NOTICE TO CONSULTANTS
REQUEST FOR QUALIFICATIONS**

Submittal Date: **August 24th, 2021 prior to 2:00pm**

Amendment 2: Corrected Phase 2 Interview dates, page 6.

Modified Pre-Design with Optional Full Design Services Required for Project No. 2021-208: Omak Health Science Center for, Wenatchee Valley College, 1300 5th Street, Wenatchee WA.

Scope of Work:

This Request for Qualifications is for the purpose of selecting an Architect for a Modified Predesign Services; full Architectural Design Construction Documentation Services; for phased construction for the Wenatchee Valley College Omak Campus new Health Science Center located at 30 Birch Street S, Omak, WA.

The new Health Science Center will be approximately 10,000 sf. of building space to accommodate programs including Health Services Studies, American Indian Indigenous Studies, and Continuing Education programs, and Student Support Services. The Predesign will identify space requirements for classroom, conference, and support spaces. Predesign will also include establishing a project budget and construction phasing.

The MACC budget for project is approximately \$3,200,000. This Project will be funded in two phases:

Phase 1: 2021-2022 - Federal Funding – Approximately \$2.0 M (secured)

- Pre-Design Services;
- Optional Full Design Architectural Design Services through Construction Documentation.

Phase 2: 2022-2023 - Federal and/or Local Funding - \$2.5M (identified)

- Construction Administration Services for completion of construction phase, and Project Closeout.

Description of Facility:

Wenatchee Valley College is proposing the construction of the new Omak Health Services Center to serve several health education programs, American Indian Indigenous Studies, continuing education programs along with student support services. The Pre-Design Services requested as part of this RFQ will focus on a cost-effective, sustainable and flexible design solution. The Pre-Design Service will serve as a foundational basis for the Architectural Design Services.

Project Goals:

This project provides a unique opportunity to bring academic, professional-technical and arts programs together in a single building to increase student success, achievement and retention.

- Develop an environment that encourages active learning, research and innovation in spaces designed for group work, collaboration and inter-program synergy
- Informal study and gathering spaces will promote student-to-faculty and peer-to-peer engagement and support high-impact teaching practices and promote innovation.
- Enable students the opportunity to use the latest learning techniques, tools and available technology.
- Providing expanded, up-to-date facilities for nursing programs will strengthen the client’s contribution to meeting workforce demand.
- The center will increase social equity by removing barriers to ADA and bringing learners from multiple programs together as a community.
- The building will meet the client’s long term commitment to environmental stewardship.

Submitting firms should have a strong background in the innovative design of health educational environments that incorporate both in-person and virtual learning settings. Firms should also be well versed in multi-phased State agency construction, the State of Washington capital budget process, planning, life-cycle cost analysis, sustainable design, and the process to achieve LEED Silver or better certification.

Life Cycle Cost Analysis Experience	(5%)
Sustainable Design Experience	(5%)
Diverse Business Inclusion Plan (written submittal)	NOT scored

Evaluation and Scoring

In evaluating each of the criteria, the Selection Panel will identify significant and minor strengths and weaknesses from the submissions. The Selection Panel will then use the following guidelines to evaluate the submissions for each Selection Criterion, based on the weighting assigned in the RFQ and any addenda. After initial scoring, the selection team will come to a consensus ranking of the Firms.

1. Definition of “strength” and “weakness”:

- a. The term “strength” ultimately represents a benefit to the Project and is expected to increase the Firm’s ability to meet or exceed the Project Goals. A minor strength has a slight positive influence and a significant strength has a considerable positive influence on the Firm’s ability to exceed the Project Goals.
- b. The term “weakness” detracts from the Firm’s ability to meet the Project Goals and may result in inefficient or ineffective performance. A minor weakness has a slight negative influence and a significant weakness has a considerable negative influence on the Firm’s ability to exceed the Project Goals.

2. Scoring:

- a. **Excellent** (81-100 percent of points available): The Evaluative Criteria demonstrates an approach that is considered to exceed the Project Goals and the RFQ requirements and provide a consistently outstanding level of quality. *To be considered Excellent, it must be determined to have significant strengths and/or a number of minor strengths and few or no appreciable weaknesses.*
- b. **Good** (61-80 percent of available points): The Evaluative Criteria demonstrates an approach that is considered to meet the RFQ in a beneficial way (providing advantages, benefits, or added value to the Project) and offers quality. *To be considered Good, it must be determined to have strengths and few, if any, significant weaknesses. Minor weaknesses are offset by strengths.*
- c. **Fair** (41-60 percent of available points): The Evaluative Criteria demonstrates an approach that contains minor and/or significant weaknesses and limited appreciable strengths.
- d. **Deficient** (0-40 percent of available points): The Evaluative Criteria demonstrates an approach that contains significant weaknesses and no appreciable strengths.

- e. **Non-Responsive:** Does not meet the Minimum Qualifications required for evaluation. In addition, the Owner, at its sole discretion, may reject any Evaluative Criteria deemed non-responsive to any of the requirements.

Diverse Business Inclusion

Phase 2 Submittal Requirements (mandatory requirement, Not Scored):

All shortlisted Firms, including diverse-owned firms, will be required to submit a Diverse Business Inclusion Plan prior to interview. The Inclusion Plan should demonstrate in detail the specific strategies, approaches, and steps your firm will use in seeking to help meet or exceed the state's aspirational diverse business participation goals. Achievement of the goals is encouraged.

https://www.des.wa.gov/sites/default/files/public/documents/Facilities/EAS/DiverseBusinessInclusionPlan_2019.pdf

Aspirational Goals:

The Governor's Office's aspirational goals for diverse business inclusion are:

10% Minority Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

6%, Women Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

5% Veteran Owned Business certified by the Washington State Department of Veterans Affairs

5% Washington Small Businesses self-identified in the Washington Electronic Business Solution <https://www.des.wa.gov/services/contracting-purchasing/doing-business-state/webs-registration-search-tips> (WEBS).

The selected consultant and all subconsultants are required to register and create an account with the DES Diversity Compliance program (B2Gnow). B2Gnow is designed to streamline and automate reporting requirements.

Consultants may contact the following resources to obtain information on certified and registered diverse business firms for potential sub-consultants:
