

**Project 1003046
Employment Security Department (ESD)
Silverdale
Amendment 1
May 18, 2018**

1. Add the following paragraph to the Market Search, Cover Page, Building Characteristics::

g. Up to two “Level II” Stations will be required for this site. The proposed site must provide or be improved to provide the infrastructure to support up to two “Level 2” Electric Vehicle charging stations, with two charging heads on each station, serving a total of four designated parking stalls.

2. Point of contact for all questions and comments is Amber Dixon, (360) 407-9320, E-mail: amber.dixon@des.wa.gov. E-mail is the preferred method of communications for project related questions and comments.
