Dear Chair Keith,

On behalf of the Associated General Contractors (AGC) of Washington, I would like to endorse Bill Doby's application for the Vice Chair position with CPARB.

Bill is an expert in his field, having served in leadership positions for general contractor firms for more than two decades and earning the DBIA and LEED AP certifications. He is also an experienced volunteer with CPARB as he served on the PRC for three years and as a member of the CPARB Board for two. In addition to participating in the reauthorization process, Bill served as co-chair of the Subcontractor Bid Listing Policy Evaluation Committee. In that role he facilitated recommendations, all of which were endorsed by the CPARB Board and ultimately passed into law by the Legislature. This effort is just one example of Bill's ability to ensure different points of view are heard and to gain agreement. We are confident Bill will bring this same spirit of consensus-building to the Vice Chair position.

Bill also serves his community and industry. He is a former Board member for Rebuilding Together Eastside, and he is an active member of AGC. We are pleased to support his application for the CPARB Vice Chair position.

Sincerely,

David D'Hondt
Executive Vice President
AGC of Washington
