Re: Public Body Project Approval Determination – DB

Dear Mr. Panzero

The Capital Projects Advisory Review Board's Project Review Committee has determined that the project has met the criteria established in RCW 39.10.280 for public body project approval.

King County Department of Transportation, Marine Division is hereby authorized to utilize the Design-Build alternative contracting procedure for the *Pier 50 Float Replacement* project.

Under the terms of RCW 39.10.350 you will be required to submit project data to CPARB at the conclusion of the project. Please identify your point of contact for supplying required project data information to CPARB staff person, Nancy Deakins, at Nancy.Deakins@des.wa.gov.

Congratulations on the approval of your application and good luck with your project!

Please contact Nancy Deakins at (360) 407-9333 if you have any questions regarding this process.

Sincerely,
